# **From Reader Review Supreme: Men Of The Bitch Series for online ebook**

## **Monique says**

So I didn't read the 1st book in the series but found this book intriguing. There were several areas that were skipped over and a couple of names that I didn't recognize. The ending left me mad as I thought it should have concluded the story better. Now I'm forced to read the next installment.

---

## **Scarlett says**

This was a good read it take you back to the very beginning of Supreme life from Childhood to Adult and explains how it all came together. I always wanted to know how he was connected to some of the characters that was in the Bitch series! by reading this book it share a lot of light on a few questions that I had.

---

## **Samantha says**

This book changed my whole view of Supreme I never really like his character, but after seeing where he came from it changed my mind.

---

## **Aisha says**

I am so ready for the final installment.

---

## **Andrial Durant says**

Took me along time to finish this book compared to the others ones. Supreme story was in the beginning is a good read but everything after was already known from reading the other books series. I don't know, kind of feel like we could have done without Supremes story because it didn't tell us nothing new

---

## **Tamika says**

### **Not at all what I expected**

This was a long boring story. Supreme 's life doesn't match he's pull at all. I was expecting much more

---

## **Djuana Lacey says**

### **Greatness**

I really enjoyed this book about the rise of Supreme. I liked how it took us back to his childhood. It showed who his friends really were.

---

## **Tru Essync says**

I love the history of the man we've come to love as 'Supreme'. If you have read the series, you definitely should to get a true feel of where he was coming from. The Final Chapter is around the corner and can't get here soon enough. Once again, job well done Ms. King... Bravo!!!

---

## **Kiva bowers says**

### **My least favorite**

Of all Deja books this is my least favorite. I've read all of them just in the wrong order. However i hope most of these characters never die.

---

## **SointoSonya says**

### **Awesome read**

Can't get enough i feel like an addict and her books is the only fix I need i just can't get enough of i had it my way she be locked in a room with everything she needs to write book after book she's definitely a wiz with the pen i just can't wait to the next book she leaves me craving more

---

## **Khalilah Whigham says**

?

It's crazy how all of these series are connected. Maya & Arnez both are sick individuals blinded by jealousy. Wow

---

## **Carolyn King says**

### **Love Me Some Supreme**

Supreme is one of my favorite men of the Bitch Series. To read about his life story made me love him more. I truly believe Supreme and Precious are soul mates and they belong together. Can't wait to read the final chapter of the bitch series. The ending of a very good series.

---

### **Denise Gilliam says**

This was a face pace read for me. I really enjoyed how Supreme was able to tell his own story the way it was told. It was full of details gave a overview of all. I just wanted more the story was too short but a great book in all.
