Welcome to Candle Beach, where falling in love is easy...almost.

Join the women of Candle Beach as they navigate life, relationships, and their dreams for the future.

Sweet Promises takes place during the holiday season

A promise between brothers. A secret that threatens to tear a budding romance apart.

Maggie Price is resilient. After her husband died, leaving her a young widow with an infant son, she returned home to Candle Beach to create a new future for them by purchasing the Bluebonnet Cafe.

She loves her life, but something feels like it's missing...

Jake Price promised his younger brother he'd take of his wife and child if something happened to him while deployed overseas. Now, five years after his brother's death, Jake vows to fulfill that promise and take care of Maggie and her son Alex.

Maggie tries to fight her attraction to Jake, but he knocks down her resistance and they fall in love. Will she still feel the same if she knows the real reason he's in Candle Beach?

The Candle Beach Sweet Romance series novels are "clean and sweet" contemporary romances that can be read as standalone novels and have happily-ever-after endings with no cliffhangers.

This was my favorite of the three stories in this series. The author mentioned writing a fourth book and if she does, I'll have to read it!

Another winner

Maggie had been thru so much and made a great life for her and her son. She needed someone to help her out. Jake has seen a lot of war and needed some love. I am glad they helped each other out.

Candle beach

I have thoroughly enjoyed the candle beach series and hope to read more about Charlotte and Angel. It was quite fun to immerse myself into the lives of the people of candle beach.

Ellen White says

A younger brother was smitten at once with Maggie, in the service, and killed before Alex was born. Jake now retired from the service, keeping a promise to his brother to look after them. Taking care of Alex for awhile, till he got a job. She had her hands full with the diner, and now catering, plus being in a wedding. While Alex wanted someone to play catch with.

A house with a barn, big enough for parties and more kids. Could this time, turn to be a family affair. Good enjoyable finding love and family.

Liked this series - a quick read for me...just a nice romance with a little bit of tension.

Interesting

I like the energy Maggie has, and the enthusiasm she puts into everything. Just found her a bit annoying, in how she doesn't ask for assistance when she miscalculates. Enjoyed the relationships in the story. Liked the ending.
