The Date Jennifer Hampton

Lauren quickly learns the true power Namir holds and she also struggles with more hidden truths within her family. Suddenly, her allies become enemies leaving Lauren all alone to face Namir on her own. Faced with the ultimatum given to go on a date with Namir in exchange for Ryan's life, Lauren finds herself back in the dangerous streets of Detroit.

As Lauren spends time in Namir's company, Lauren quickly learns that she has powers of her own but it unaware of how to use them. Will Lauren fall victim to Namir's charms or will she be strong enough to hold her ground during the date?
