Charm Me With Your Heart

"Ni minsan ay hindi mo sinabing guwapo ako, you didn't compliment me for having a lovely smile, haven't told me you liked the way I kiss or told me I'm perfect. But you responded to my kisses. Parang sinabi mo na rin iyon."

Charm Me with Your Heart Mariane Reign

Enzo Legarda set out charms like consecutive bullet shots. Mapalad na ang babaeng hindi mahuhumaling sa kanya. If he would want a woman, he'd have her begging on her knees. Pero hindi pala lahat ng babae ay kaya niyang akitin. A concrete example was Myeisha Ciel Temponuevo.

Kung iwasan siya nito ay parang siya ang pinakapangit na nilalang sa balat ng lupa. She stung him like a bee after her honey, glared at him like a lioness to its predator. At ito lang ang nag-iisang babaeng tumanggi sa kanya, the only woman who crashed his ego.

He was off to play with her to get even. He had to show that woman what she was missing. Kailangan niyang ipakita rito kung paano mang-akit si Enzo Legarda.

Sigurado siyang naglalaro lang siya nang i-date niya ito. Sigurado siyang biro lang nang halikan niya ito. Pero may biglang sinabi ang dalaga sa kanya—words that awakened his senses, words that changed his heart.

“Don’t use your charms to get me. Charm me with your heart.”

Paano niya gagawin iyon?
