## Devil Creek Crossfire William W. Johnstone

Young Matt Bodine and Sam Two Wolves became blood brothers on the day the rancher's son saved the halfbreed's life, forging a bond no one could ever break. As years passed, a legend grew of the breed and the white man who rode together--and who could jerk killing iron with the best of them. . .

## Devil Creek Crossfire

When the brothers head into the small cowtown of Crossville, close by Devil Creek, all they want is to stock up on supplies and rest their weary horses. Instead, they find themselves in the middle of a bloody range war that's literally split the town down the middle. The warring factions have set up camp on either side of Main Street, and the newcomers ride in on a deserted strip of no man's land where anything--and nothing good--is liable to happen. The feud seems ridiculous: it isn't over land or water or cattle rustling, but something much darker. . .and deadlier. Bodine and Two Wolves figure the best course would be to leave--that is, until both sides order them out. Big mistake. Because the blood brothers don't take orders from anyone. . .

## **From Reader Review Devil Creek Crossfire for online ebook**

### **Jo says**

I read this because my kid grabbed it for me to read out of his stash & we were gone for the weekend. I was bored.

I should have known when I read on the flyleaf that this author has written 130!!! books. That's what? one every 3 mos. throughout his adult life on average? So yeah. Writing was not great. And the storyline was basically tying together a bunch of shootouts. Which is great if you love shootouts. I don't. Characters were skeletal. Oh well. It's always good to see what my son is reading, anyway ;)

### **Michael Barnette says**

I really enjoyed this book, it's another great one in a terrific series. Lots of action, Old West detail and a real page turner.

---

### **Timothy Boyd says**

Another good western series by Johnstone. This one follows the adventures of two brothers as they travel the old west. Recommended

---

### **Cliff. Duncan says**

**Very enjoyable read. Just like all the Johnstone books that i read. I enjoy the western novels and his are always the best.**

I would recommended this book to anyone who likes western novels. ..... Johnstone novels are right there with Louis Lamour.

---

### **Anna says**

Another exciting adventure in this series.

---

### **Charles E Solomon says**

#### **DevilCreek Crossfire**

A very enjoyable read. I'll read every book Johnstone writes! They're all first class!. I can't wait for the next great story.

---

### **Jeff Benham says**

You can tell from the very first page that this is going to be a rip-roaring good story. Matt Bodine and his blood brother Sam ride into a town divided. Literally. One rancher controls one side and another rancher controls the other and they hate each other. There are some that want to use that to their advantage and there seems to be no shortage of gunmen available to destroy them both. It is like an entire book of Gunfight At The OK Corral. This is a western for those that like lots of action in the wild west.

---

### **Allen Thomas says**

#### **Devil Creek Crossfire**

If you want to learn history in a exciting way, this is the book for you. The characters are not real, but the settings are.

---

### **Kevin Jackson says**

#### **All people matter.**

Another great story with Matt and Sam. Your right there with them every step of the way. You feel their emotions as they work hard to stop the outlaws.

---

### **Chris Quinn says**

#### **Johnstone does it again**

Another great western novel, really seems as if you are a part of the action. On to the next one.
