Annie says

Really enjoyed this tale. While reading it, I couldn't help but think that it is a small world after all... It was wonderful to see how these lives were connected. My favorite part was the prophetic dream. I hope that there is a sequel.

Toniette says

I love BJ's books dont get me wrong but when I was reading this book it just made me feel like she was rushing to the end and that there were some parts which could have been done better especially between the middle and the end.

lydia green says

Twisted

good book it is. always keeping you on your toes read the book in one evening the story moves fast in the plot
