Nanny for the Cop Next Door Flora Ferrari

Braden Badge

As a small town cop my job requires me to size up people real quick, but nothing could prepare me for the speed at which she grew up.

Last time I saw her she was just a kid, but now she's a young woman standing on my doorstep...here to help me teach my seven-year-old daughter how to grow into a young woman.

But one look at her and I wonder just how close we're going to grow together.

Annabelle

My dad's best friend is a hot cop next door.

I may have been away at college the last four years, but there are still some extracurricular lessons I haven't learned that only this older man I've crushed on my entire life can show me.

But when I agree to be the nanny to his little girl I realize there are a completely different kind of lessons I can learn from her. Resilience, inner strength, and the ability to endure.

She's an amazingly strong little girl. I had some experience as a babysitter before, but the more I get to know her I wonder if I'm in over my head as I attempt to not only be a nanny, but also the female figure she needs in her life right now.

The more I find myself getting in over my head, the more I find myself falling head over heals for my perfect police officer and his darling daughter.

Braden Badge

I can't focus. I can't sleep. I can't stop thinking about her. My mind's investigating scenarios where I can turn this hot pursuit into a perfect partnership without crossing the line with my best friend's daughter.

When he starts to suspect I'm getting too friendly with his daughter I know it's time to show him just how perfect what we have is regardless of how he feels. I worked hard for privilege of earning the gold cop badge I wear on my hip, but I'll work even harder for the privilege of putting a diamond ring on her finger. I'll do whatever it takes to win the key to her heart and when I do I'm going to lock up my nurturing nanny next door forever.

Brandon sees Annabelle, he drops his coffee and his jaw. All he can thinks about, is how beautiful she has become and that he has to make her his. When he see her with his daughter he know what a great mother she will be to Vivian, and their future children.

Love Makes The World Better

Branden, a hot single dad who is a cop, hasn't seen his goddaughter , daughter to his best friend and next door neighbour, for four years whilst she has been at college. The moment he does he drops his coffee in amazement when he sees how gorgeous and grown up she is. Annabelle has had a crush on Branden as long as she can remember and when she returns home looking for a job she grasps the opportunity to be nanny to his 7 year old daughter [he is her guardian as she was a fellow co-workers child and he and his wife died leaving Branden to be her 'Dad']. His feelings for Annabelle grow exponentially and when he finds out that she feels the same for him he is ecstatic. but when her dad, Adam, finds out all hell lets loose! can these two wonderful people find a way to have their own HEA. With all the passion and love between them surely they can find a way!! I love the way Flora Ferrari creates a wonderful storyline, terrific characters that I really rooted for. There is love in abundance in this story with witty banter, some great twists and plenty of passion. I can't wait for her next romantic adventure!

A man who knows what he wants...

Great read. Braden is a true protector which is one of the reasons he became a cop. It is also the reason he is raising Vivian- the seven year old of a deceased friend. Even protectors need help though. Annabelle is the daughter of Braden's best friend and neighbor. She is also his goddaughter but Annabelle is no longer the little girl he remembers. One look is all it takes for Braden to realize what he wants....Annabelle. Wonder how her dad's going to take it?

I read this book as part of an arc program. This was a good older man/ younger woman romance between Annabelle and Braden. Braden needs a nanny for his little girl and when Annabelle returns from college, she is perfect for the job. Braden is best friends with Annabelle's father Adam. When Braden sees Annabelle it is a case of instant love and he decides she will be his. Unknown to Braden, Annabelle has always had a crush on the older cop. When Annabelle and Vivian get along well and Vivian starts to open up and be happy, Braden makes his move on Annabelle. Things go well until Adam finds out, then things go bad for Annabelle, but Braden doesn't back down. I liked this book, it has a lot of steam between Braden and Annabelle, they had a great connection regardless of the age difference. Another good one from Flora.

This story is short, fast paced and a nice read. I read this book in one sitting and wasn't once bored. I liked that Braden took Vivian in and treated her like his own. Her happiness was important to him. I liked Annabelle. I liked that she took it slow with Vivian but it didn't take long for them to bond.

The chemistry between Annabelle and Braden was clear to see. I really liked them as a couple. I liked that Braden didn't let Annabelle's father break them up.

The storyline for this book is easy to follow and a nice read.

I voluntarily reviewed an ARC of this book. Another wonderful read from Ms Ferrari. Annabelle and Braden are one hot pair. Annabelle has recently graduated from college and is looking for a job. Braden is her next

door neighbor, her father's best friend since they were in little league together and Annabelle's godfather. He has also recently taken in a fellow coworker and friends daughter; Vivian since both parents have passed. Braden needs a nanny for Vivian and Annabelle has come to help him out. Annabelle is hoping Braden will see her as a grown woman now. Braden can't believe how beautiful Annabelle has turned out since he last saw her when she graduated high school. He can't deny the attraction and decides right away to make his feelings known. Nothing will stop him not even his friendship with Annabelle's father Adam. Annabelle can't believe Braden wants her the way she wants him. This a great insta everything book and I loved how everything worked out for everyone.

Toni says

This is a too cute for words story of a love that took a long to happen. Braden is a cop and lives next door to his best friend. He has a daughter and he needs help when he's working. His best buddy sends his daughter over to be his nanny. Open door, drop mug and it's like a bomb went off in his head. Annabelle has had a large crush on him her entire life. She's back from college and takes the nanny position to earn some cash while she's job hunting. When the two get together to discuss business, life for the two no three of them changes everything!

Such a cute story and told in a way that is just perfect!

Fantastic story and read.

Braden needs a nanny for his daughter, but never expected to find more. Annabelle has always wanted him, but figured it was a fantasy. One person can ruin it all. Will Braden take that chance? Will Annabelle be willing to give up everything?

Another steamy Flora Ferrari book! Absolutely loved Braden's character. He was this big strong man, but so gentle and loving with both his daughter and Annabelle. I loved the fact that Annabelle knew what she wanted and wasn't going to play games. Great read!

A very well written older man/younger woman romance that has a great storyline and nice plot. It is rather fast paced and it kind of suits this story.

She is his best friends daughter and he is instantly attracted to her when she comes to his house. I like that he is all man and does what needs to be done.

Characters are well described and likeable. They develop nicely through the story. Their chemistry is amazing and the passion hot.

The story flows nicely and has a lot of steam and heart in it.
