Once you start poppin', there's no stoppin'! This rollicking version of the classic "wheels on the Bus" song gets kids counting, singing, and learning about lots of African safari animals. As they pop the dots to count each group of animals, they'll learn to count from 1 to 10. Keep an eye out for a silly stowaway chimp in every scene! These fun, tactile books help kids learn to count-without losing count! Raised buttons pop in every page so kids can press them as they read along. New 2017
