Anna Ixstassou is looking for the fast track to the top. Unfortunately, she found what she was looking for and is back for another session at the hands of her boss, Ewan Crest.

The ensuing story is hot and sticky as Anna is inducted into the strange world of BDSM. She loves what she finds there...maybe, too much, in fact.

A witch who just wants to be like everyone else, Anna exalts in the desire and lust that Ewan awakens within her, only hoping that she will not be forced to call upon black magic to save her before the point of no return.

## From Reader Review Racked and Ravished Threeway for online ebook

A Reluctant Witch in The Land of BDSM: Racked and Ravished Threeway. This is a very erotic scene with some unique (I've not heard of it anyway) trapeze style restraint. Author's done as intended...got my interest but I need to know more and so got the lot (3 more, cheapies) despite the fact it's much shorter than KB states. Approx 56% short story and 44% ads plus parts of other stories, and I hate that. Scene is 4 star, understanding storyline is 2 star...3-overall.

Hot but a little weird... what's with the circus fetish?!

### ? BookAddict ✎ La Crimson Femme says

This was an okay story. There wasn't too much to it. This takes less than 5 minutes to read about a woman who hints she's a witch and she's submitting to get what she wants to move up at work. The plot is vague and a bit bland. The binding so she could be taken by three different people was short and okay. Nothing intense. I'd almost say vanilla if it weren't for the number of people involved and with her being restrained.

### Future Slayer Girl says

This was one of those stories that caught me by surprise. I knew that it had potential to hit triggers even as a short and it did. It hit quite a few triggers. I am not a huge fan of people being forced into anything, even fiction. If you are going to be submissive, mine as well do it your way. With a Dom that knows your needs. But for some reason this worked for me. The story had a mystery value to it, where I was left guessing through the whole thing, which some people might not like. I for some reason clicked with the whole idea of this story. I understood what the author was trying to do to push me into reading the second installment. I'm curious as to see what is so important in her life that she would go to those lengths. It got under my skin. It made me want more, and most of all it has me wanting to read the next story in the series to see what the naughty little Witch is up to. Great job! Awesome scene as well, I am a fan of multiple partners in BDSM fiction, so this worked for me as a whole.

### Christie says

Very, very short story. Only 251 locations on kindle and not worth buying. As a free read, it is good for a few minutes.

### **Joanne Jones says**

2 and half stars for this, even though it was hot but it bored me and it was mega short and a waste of time!! The sex it self was decent but the shortness killed it an that's why it got so little rating.

#### **A little...**

Strange and confusing. I was intrigued by some of the teaser stories at the end. I'm not sure if I will try more of this series.
