## The Baby Pursuit Laurie Paige

FBI agent Devin Kincaid is assigned the urgent task of tracking down the abducted grandson of the rich and powerful Ryan Fortune. A determined loner whose grit and tenacity make him the best man for the job, the last thing Devin needs is the help of the boy's aunt, Vanessa Fortune. First, she's too emotionally involved, and second, she's way too much of a temptation he doesn't need.

A criminal psychologist, Vanessa can't sit on the sidelines while her family lives its worst nightmare. She's not running from the fierce attraction between them, but knows Devin is doing everything he can to convince himself that a Fortune heiress and a street-smart cop don't mix. But as tensions rise, passions flare and soon dangerous situations call for desperate measures?and a willingness to trust all they've got.

## Charline Bonham says

Another adventure for the Fortunes. This time one of the twins, Vanesa, wants to help find her nephew along side FBI agent Devin Kincaid. Devin has trouble accepting her as his side kick and lover for more than a fling.

## Purple Osprey says

She's got the attachment disorder, he's infantile, and, since it clearly wasn't intentional but rather came out of dark recesses of writer's subconscious - the book is just wrong kind of disturbing.

## Tonileg says

The kidnapping in the first 'Fortune of Texas' of baby Bryan Fortune is still unsolved two months after the end of the first book. This is the second novel in the series where Vanessa Fortune, youngest daughter of Ryan Fortune the patriarch of the Fortune family. The FBI send Agent Devin Kincaid to help resolve the kidnapping for this very rich and prominent Texan family.

There is a love (lust?) at first sight between Dev and Vanessa. I like how Vanessa plays into this relationship. This only works because she has such strong self confidence and knows exactly what she wants from Dev. The dialogue was a bit fairy tale-y with mentions of Beauty and the Beast references which was cute. I adore 'lovey-dovey' names with couples and this worked for this hard as nails FBI agent that he would pick a sweet nick name for Vanessa.

They do eventually find the baby but surprise surprise, it is not Bryan but another baby Fortune (Apparently all Fortunes are born with a crown birth mark on their body somewhere (is that even genetically possible?)).

Fortunes of Texas series #2 Devin Kincaid, FBI, is brought in to profile the kidnapping of infant Bryan Fortune. Vanessa Fortune, his aunt, sets her sights on Devin. Devin is on trail of a "gone missing cowboy". A ransom note is delivered, along with a picture of the baby. Vanessa recognized the location in the background. Devin gets to the location in time to save the two, but is hurt when a bullet hits bulletproof vest. Family is involved, Ryan Fortune's 1st wife's brother and his 2nd wife--soon to be his ex, are in on the kidnapping.
