For readers of the Fall Away series, six more books will be coming in a spin-off series. Release dates TBD.

Questions:

1. Whose books will be in the next generation?

The books will tell the love stories of Hawke, Dylan, Quinn, Kade, Hunter, A.J., and James. There will be a total of six books. For a family tree reference, please visit--> <http://bit.ly/2EwwdYx>

2. What is the reading order of the original Fall Away series?

The reading order is Bully, Until You, Rival, Falling Away, Aflame, and Next to Never, all available now.

3. Whose book can we expect first in the spin-off series?

The series is outlined, and I have speculated on the order of the stories, but I won't know anything for sure until I start writing the books. I'll wait until there's a definite answer before I tell you what to expect.

4. When will the books release?

They are coming, but I also have other projects to finish up, so thank you for your patience as I slowly clear my schedule to start concentrating on these.

5. Are the Fall Away kids in any other books or bonus scenes available now?

Yep! The Fall Away kids first appear in the epilogue of Aflame and are quite prominent in Next to Never. There are also three bonus scenes-->

**J Rulzz says**

you know in all honesty im definitely waiting for this series. Ive been sticking with this author ever since bully was out.

the thing im most annoyed about is the love triangle with hunter kade and dylan. im supposed to like Kade tbh, since im actually a crazy JARED stan. The thing is, Kade feels like a copy of Jared. I hope he doesnt turn out like that because come high waters Jared was the perfect Bully and perfect person to hate and fall in love at the same time.

I dont feel that vibe with Kade maybe because i think hes waaaaay more reckless than Jared or Madoc.

I really really like Hunter. Idk why. But if Kade got the girl, then i really want Hunter to get everything else. the rivals week and all.

im looking forward to Hunters story more.
