Jackie Foster is a feisty twenty-eight year old woman who owns and operates a landscaping business in Thornton, Massachusetts. When her dog Molly starts digging in a customer's garden, it seems that flowers were not the only thing planted in the bed. Her life takes a sudden twist when she becomes a suspect in the murder of a competitor's son. Her various escapades between her dog, her family, her housemate, the landscaping crew, customers, and various villains at large will keep you laughing. Jackie's faith in God carries her through each day, as she ponders life's little turns for good or ill. Her trust is in the Lord.
