A Fun Food Friends Adventure Angela Joelle , Brynna Beaupre

There is always an invitation from Fun Food Friends to walk the colourful brick road of Ice Cream Street throughout Fun Food Land. Every day is a tasty one with yummy food smells, delicious flavours and a lot of sweetness.

However, there is a bad fry who's come to town and he's up to no good. Larry, a spoiled and rotten fry, is a trouble maker. He always ruins happy towns. His latest town to target is Fun Food Land.

Somehow Larry has joined the rest of the Fry Friends living under French-E-Fry's hat. French-E-Fry owns the Poutine CafE and enjoys cooking for everyone in Fun Food Land. He also loves the Fry Friends and they love him.

One by one though, Larry turns the Fry Friends bad, and this is poisoning French-E-Fry's mind. Larry is creating new recipes that he plants into French-E-Fry's head with many Fun Food Land characters as main ingredients!

One Bad Fry Spoils the Bunch is the first story of a series called A Fun Food Friends Adventure. There are more stories cooking. Triple Split, Fro-Yo and Icy Cube have an adventure thawing next!

I like the artwork, and when I read it to my daughter she said it was "good". We enjoyed this loopy story.

Dolores says

Very well illustrated kids book. A fun read for kids with a problem solving theme

Highly recommended

Jennie McLaren says

This book will be fun for kids to read as they imagine these adventures being acted out by their food. I love that it is written by a collaboration between the author and a young person who would be in the target audience of the book.

Phyllis Schwartz says

A Fun Food Friends Adventure is a good-guys /bad-guys conflict in the land of food with dynamic illustrations. Mr and Mrs Marshmallow along with their friend Miss Cupcake encounter Larry the rotten potato who casts a bad mood on the happiness in Fun Food Land. The story becomes a tale about how to save the happiness of good food. Luckily, there is a remedy to run evil Larry out of town and order is restored. It's a fun adventure celebrating the joy of food.

Eva says

A beautifully illustrated book, "One Bad Fry Spoils the Whole Bunch" is a whimsical and sweet story of anthropomorphized food get into adventures. While I'm not the target audience (I would guess 4-7), it was a charming tale warning of having negative (or evil) friends. I will never look at a french fry again - and luckily I have quit eating marshmallows :)
