## A Very Merry Christmas Geronimo Stilton

Tis the season to be jolly -- and holey cheese was I trying! But on my way to New York City to meet my family for the holidays, my luggage got switched with another mouse's... Oh, rats! Now I had to scurry all over the Big Apple trying to track down that mouse... and all my Christmas presents! And I, Geronimo Stilton, am not a big cheese when it comes to getting around the Big Apple!

## retrieverfever says

Geronimo is going to New York for Christmas. He's back get switched with " mrs.a smith" can you find his bag before Christmas? Or is grandpa going to have his tail.

---

## Auggiesadorra says

The main characters in this book are Geronimo and his Grandfather William Shortpaws. It was almost Christmas and Geronimo was in his office just thinking about how this years Christmas Family Gathering will go. Later on that day Geronimo's Grandfather William Shortpaws came into Geronimo's office and told him that this years gathering was gonna be at his old friends house, out in New York City. So the whole family packed up to head for New York City. The family arrived inside New York City and got their bags and headed to the Macmouse Family's House. When they got there Geronimo noticed that he had grabbed the wrong bag inside the airport.

I thought this book was great! This book was very Funny and Adventurous. I would really recommend this book to people who love adventure. This book got me thinking about how Geronimo is gonna find his bag inside New York City. One positive thing about this book was that it had a lot of adventure in it. Also one thing negative about this book was that it was kind of a short book. I think you should give this book a try!

---

## Colleen Mertens says

This is the third of three Christmas stories featuring Geronimo. It was a neat way to introduce New York City to your youngster as well as Geronimo adventures around the city trying to rescue his Christmas presents for his family. Very funny little story.

---

## Cassie says

I liked this book. I think it would have been better if I'd read it in second grade when my teacher actually gave it to me. So, you could read it if you want to but it isn't the best book I've ever read.

---

## TARO402 says

my favorite par in the story was when Geronimo rode the air plane.

---

## **Ecila says**

I HATE GERONIMO STILTON!!!!

---

## **A says**

Lexile 650 - Reading Counts 4 Points

---

## **Ryoko says**

I like this book because this book is exciting and kind of adventure. He decided to visit his friend in New York for Christmas! But there were many troubles, like he got the wrong bag in the airport. Will he be able to meet his friend?

---

## **Aarav Agrawal says**

Oh, Poor Geronimo!!! I always hate seeing him struggle. This book, just defines the struggles and bad luck of Geronimo Stilton. The book itself was peaceful. Reading Geronimo provides the peace one needs after the cliffhangers of Riordan Books. This book takes place in the Big Apple, where Geronimo is going to spend his Christmas with his family and Grandfather William's Friend's Family.

Alas! Trouble finds Geronimo everywhere. He exchanges his suitcase with another young lady (Actually from the MacMouse family, but he fails to recognize her). To find her he travels the whole of New York and at the end, comes to Macmouse's house. An overall great adventure; deserves a five

---

## **Maria says**

Geronimo family got a invitation from their friend to celebrate Christmas with them in New York. But Geronimo bag get switched with other mouse. He tried to find the mouse in the New York . Another great story!

---

## **Declan says**

Geronimo accidentally exchanges bags with someone named McMouse at the airport. He spends all day trying to find his bag and return the other bag. He is so upset that he drops a tear on Abigail's guide book. Finally, he finds McMouse's house on Columbia Circle. It turns out that Geronimo's family knows the McMouses and has come to visit them for Christmas. Geronimo spends Christmas with his family and the McMouse family.

---

**Wasif says**

Geronimo has a very busy Christmas time. But his grandfather has some new planes about Christmas. HE want to celebrate Christmas in New York . Everyone is gone to New York except Geronimo.

---

**Christine (KizzieReads) says**

Very cute and eventful Christmas Story.

---

**H Nut says**

I liked the Statue of Liberty. I recommend it to people who really like adventures.

---

**Kevin Kovacs says**

This book wasn't entreating to me, because I thought that non-real things would be funny but they just overused it. This book was about a mouse going to visit family in New York. During the landing he mixed up his package with a lady, and he had to track it down all across the state. I would recommend this book to people that like fiction books, since talking animals are not real. I would rate this book a 6 out of 10.
