## Come and Talk to Me June Kramin

Regina was determined to keep the secrets from her past buried. She had her reasons for keeping her distance from men, but Donovan refused to play by her rules. Giving into her heart and marrying him, Regina finally began to feel whole again.

When an injury ultimately claims his life, she moves a few states away to a small town where she couldn't be reminded of him everywhere she turned. Trying to live her life in isolation, she wasn't prepared for what the humble cabin next door would bring.

Reggie is not sure she will be able to overcome the horrible twist fate has thrown her way.

## **From Reader Review Come and Talk to Me for online ebook**

### **Bella says**

I'd not read anything by this author before this book and boy am I glad I've read this one now. What a terrific book. Unexpected, tugs on the heart strings, and truly romantic. I laughed at the antics of the heroine Reggie, bawled my eyes out at all the right moments, and kept reading right to the end, heart in mouth. A fantastic read, and written very well!

---

### **Allyson says**

Oh, Wow, This book was absolutely wonderful! I am not sure that I have ever been through so many emotions in one book! This wonderful book had me laughing, crying and angry. June Kramin has a way of writing that you get lost in the book. I almost could feel like I was there with Reggie. I would recommend reading this book at least once, but for me it will probably be a book I read over and over! But you will need a box of tissues. I look forward to reading more by June Kramin:)

---

### **AmandaLyn Donogal says**

Don't read this without some tissues around. You are rooting for Reggie the whole time.

---

### **Mary Cote says**

This is a romance that breaks the rules, and does so with unforgettable results. Regina doesn't want to fall in love, but Van is too hard to resist. They get married, and Reggie follows him as his Coast Guard career takes him from Hawaii to the Florida. An injury and a series of surgeries and prescriptions means an end to his career, eventually turning Reggie's world on its axis.

The reader feels like she is on the beaches at Maui, sitting in the hospital waiting room, feeling what Reggie feels. The twists and surprises she has added to this story will make it next to impossible to put down. She is at the top of my favorite authors list.

---

### **Elissa Mahler says**

I was blessed with a free copy of this book, and have chosen of my own volition to share this review with you!

This book is awesome, but be prepared for some tears! I stayed awake reading this book longer than I should have...it was that good! Numerous plot twists, with a huge twist at the end...I didn't see it coming. Complexly developed characters that I felt like I knew personally.

A love story of sorts. Finding love, allowing love, falling in love, loosing love, and learning how to love again. A roller coaster of emotions. One minute I was chuckling to myself over an incident (that was so life like), and then something happens and I am bawling.

---

### **Honey Boudreax says**

I feel like I've been converted! I have never been one for Romance novels but--June, you have just aquired a new fan!

Reggie's reluctant attitude and a large brick wall to knock down, Van successfully enters her heart. His love and dedication to her is truly every girl's dream. Reggie's life becomes a roller coaster of emotion (and you will need the klenex) but her inner strength will bring her to yet another challenge. You are one lucky girl Reggie!!

For someone who steered clear of Romance, I have to say--I was up till 1:30 a.m. not being able to put this down until I was finished! THAT IS AN ACCOMPLISHMENT & COMPLIMENT! Great Job June!
