This is a must read for fans of The Crew. Everyone is coming together for a wedding. Sawyer and Laney's dad may have had some of the best lines ever. I don't even have the words to express how much I loved this book.

I read this novella awhile back in the anthology Beaus & Arrows: A Collection of Sweet and Sexy Stories It was great getting a little more of Dane and Laney, and the crew.

I loved this series and so happy for this short little novella to celebrate the love of Dane and Laney. Dane finally gets Laney to say yes to his proposal and he isn't waiting long to make her his. It's a day of celebration and spending time with the one's you love. Would love another novella when they start having babies!!!

#### **Oh my...**

I missed Dane and Laney so much. I actually miss the crew. I need more novellas please. Insight into the in between. I need to know the joys of Dane finding out he is going to be a dad. More of Tate and Bennett before the heart break. Jeff and whit and there baby boy. I definitely need more Sawyer. Please

Being invited to the wedding of a lifetime is amazing. Having read the rest of the Evolve Series, including the novellas, there was really only one story we were waiting for that hadn't been released.

The wedding.

Not just any wedding, but the one we waited for from day one - Laney and Dane.

As she has with every other story, short or otherwise, in the Evolve Series, SE Hall brings us the wonder, joy, and amazement that I have come to expect from this series. The characters are real, their actions believable, and the moments. Every book from this series, and this one is included, makes you just want more from them all.

### **Cute short story.**

This book is short and sweet! I'm happy that Laney finally said yes to Dane marriage proposal. Sawyer wedding speech was hilarious and cute. I loved this book.

## **For the Love of Books and Cooks says**

This book did not really tell anything. There was just a bunch of raunchy sex scenes. I didn't feel it added anything new to the characters and I LOVE THESE CHARACTERS! It felt rushed and incomplete. There were so many stories to be told from this. Like what happened in the bachelorette and bachelor party? We know they argue about them, but the book skips over them?!?!?!?!?!  
Not a favorite from S.E. Hall

I have been waiting what feels like forever for Dane and Laney's wedding!! It was like finding the missing piece to a puzzle and It was perfect ! Everything about this little novella was perfect. I cried my eyes out during the vows, while my husband looked at me like I was nuts (he just doesn't understand). It was great to revisit the crew and experience Dane and Laney's wedding ? SE is an amazing author, she never disappoints

Do you love the Evolve Series by S.E. Hall? Have you been dying to see Daney's wedding? Then you MUST read this novella!

If you're like me and have been a fan of this series since Emerge, then you've been in love with Dane and Laney, and have wanted to see them finally say I Do. It was inevitable, but we never got to see it happen, but S.E. Hall finally gave us our HEA in the best way possible. This short but sweet novella is everything you could wish for in the series. It true "Crew" fashion the Daney engagement, planning and wedding is sweet, sexy and full of laughs, and it wouldn't be anything if it didn't have Sawyer being Sawyer!

This novella had me laughing out loud, and remembering why I fell in love with all of these characters, but mostly Dane and Laney! I truly loved this novella and am so happy we finally got to see these amazing characters get the ending we all knew was going to happen. If you've read the Evolve Series, then this is a definite MUST READ and if you haven't.. what are you waiting for? Go grab Emerge today and start reading it ASAP!

YES, YES, YES!!!! This was EXACTLY what I needed from Laney and Dane for their wedding and reception!!!! Of course Sawyer and his insanity had some of my favorite parts (lol). This also made me a little teary eyed because I read it after reading their whole series. Thank you SE for making this so perfect!
