## Holly Wagstaff says

Enjoyed this just as much as Volume one and two. I love Rias so much! Anyway, I'd love to read more but they cost money, so I guess I'll stick with the anime for now. Again, great art, good humour and interesting plot.

".....I have always.....always thought about it. Was it all right that I was the only one that survived..... There were those who had more dreams than me. There were those who wanted to live more than me. Is it all right.." - Kiba

After a one-month rest from reading, I came back to finish it. This Vol. as always was filled with Rage, Sadness, LOVE, joy and Ero scenes. Looking forward to read the 4th Volume.

Ore wa oppai ga daisuki!
