Amy thinks being perfect can be a real drag. Everyone expects her to behave responsibly and to use her extraordinary talents for good. But when she meets one of her clones--an unexpected Amy, Number Thirteen, who goes by the name Aly--she gets a taste of normal teen life and wants more. Aly is a reject from Project Crescent. Diana Valant says

Of course I've read all Replicas, but this one is far my favourite. The last few were shockingly disappointing and I therefore have no intention of rereading those sequels (I can't exactly remember what happened at the very end - and count myself lucky for it!). I own slv paper versions of them up to part 23. This was one of my, if not -the- favourite book series of my childhood.

I got my first book (part 3) as a christmas present in second grade and loved it immediately. Those were the years of Replica, Broken Sky and Goosebumps. A frighteningly good introduction to the mind-sucking void of schizoid.

Hyvä ja vauhdikas Replica -kirja tämäkin. Aiemmin olen tämänkin kirjan lukenut mutta enpä muistanut kuin kuinka Aly ja Amy tapasivat. :)

Amy has met another Amy - Aly Kendricks! But Aly is no ordinary Amy... in fact, she's like an ordinary human! Amy and Aly become fast friends, but Aly's fast life gets Amy into some trouble... and puts Aly in danger. What will Amy do?!

Meanwhile, Tasha is obsessing over Dwayne the Dummy, and dumbing herself down for his sake. Eric is being tutored in Spanish by a hot older girl.
