Own To Obsess

Zoey Ellis

Own To Obsess Zoey Ellis
She owns his obsession - but can she control it?

Kardos

Wild and uncontrolled, Kardos faces his new circumstance with an unbound fury, but discovers that some things are not within his control.

His undiluted obsession consumes him, until he is forced to see that the only thing he truly needs, he may no longer own.

Shaya

Struggling to find her strength, Shaya makes little headway in her new life in the Southern Lands. Her Alpha cannot be reasoned with and is even more of a beast than he ever was.

She experiences just how deeply his passion runs, but realizes she may never survive if she cannot find a way to escape him.

Own To Obsess is the second book in this couple's story, but the eighth installment of the Myth of Omega series. This is a dark, steamy, Omegaverse romance. Cliff-hanger included. For fans of barbarian Alpha anti-heroes, sweet but savvy Omega heroines, epic fantasy worlds, and captive romances. Discover a magical kind of dark...

Own To Obsess includes romance and situations of a dark nature. Some aspects of this story may be sensitive for some readers. For ages 18 and over.
