## Indah Threez Lestari says

Mulanya nggak ngeh apa yang dimaksud penerjemah komik ini dengan "transplantasi". Tapi karena ceritanya mengandung ESP, seharusnya terjemahannya "teleportasi" deh.

Buset, telat banget aku baru ngeh maksudnya sekarang, padahal kayaknya di jilid-jilid awal juga banyak terjemahan "transplantasi" yang sama sekali nggak ada hubungannya dengan operasi... ;D

## Tina Olah says

The first half was a bit slow, but there were some exciting action scenes in the second. I remember those from the anime!

## Aurélie Knit & Read says

L'intérêt principal de ce manga ne réside pas dans le dessin, qui n'a jamais été très beau et a mal vieilli. Mais l'intrigue ! Oh l'intrigue ! Impossible de ne pas accrocher à ce récit qui fait sans arrêt la navette entre 2 espaces-temps mystérieusement liés. Amours, trahisons, vengeance et machinations à gogo... On a envie de savoir que sont devenus les uns et les autres, qui a fait quoi dans le passé et comment cela affecte le présent de nos personnages au Japon.  
Un classique du *Shojo* que j'ai adoré de bout en bout.
