Reagan says

Ziggy was a run away puppy. He almost ran away every time they found him. Ziggy was a preashus puppy because when they lose him they feel very sad.

I can tell you I would probably not have enjoyed this now as much as I had when I was little! What a cute, fun, short, story that would appeal to young readers! And what can I say, everyone loves dogs!

Bennett says

4.5/5

Sue says

Debbie says

A little different than her other books, as most of the time the poor little doggy was lost!

I think that this book is very good and I would recommend this book to everyone that I see. I like that they have to beg their mom to let them Forster a dog and if you like dogs you should read this book.

Ps this is the best book ever!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

I can see why these books are so popular with younger readers. It was a cute, quick story with plenty of puppy information sprinkled in - a definite recommendation for kids who like animals.
