This adventure series is created especially for readers who love the fight of good vs. evil, magical academies like Hogwarts in the Harry Potter saga, and games like Minecraft, Terraria, and Pokemon GO.

The redstone dust has barely settled after Phoenix's epic battle against the Defender when word of a new threat arises: the legendary ghost of Herobrine has been sighted in Phoenix's village, and under cover of darkness, he's terrorizing a new family each night.

Phoenix and T.H. rush to the village, where they discover a tangled string of clues. Just as the friends-turned-sleuths are sure they've unraveled the mystery of Herobrine's grieving, they uncover a secret that makes them question everything they've learned.

And when a new, stronger enemy appears, their hunt for Herobrine is turned on its end once again. Can a ghost be in danger? And could Herobrine cease to be their enemy and instead become . . . their ally?

Fans of Minecraft won't want to miss this gripping, mysterious addition to the series that began with *Quest for the Golden Apple*!

# From Reader Review Chasing Herobrine for online ebook

## Maximilian Lee says

I kind of liked this book because It was very exciting. I did not really like this book because I don't think it was as exciting as the other books. I still LOVED this book because I think it was very Minecraft-related.

## patsy says

**I love it what is the next book?**

10000000

And infinity and beyond

Well can't wait for the next book lol

And still do not know what the next book is lol again

---

## Ben says

It was amazing and I think anyone who is adventurous and loves Minecraft will love it

---

## XIS Grade 3 says

Champion: I liked it because it is telling me the story about Minecraft people solving a mystery about Herobrine and giving me new vocabulary.

---

## Alex says

I enjoyed this book because I love MINECRAFT!!!!!!!!!! I didn't like the part when somebody said the D-word (Dinnerbone).

---

## Gail says

2.5 I know most of this book takes place at night but the colors where just too dark. Hard to make things out and distinguish between characters.

---

**Kate Mundie says**

In "Chasing Herobrine", Xander is a ghosthunter. She fights Herobrine, the evil ghost guy. Xander has friends that help her defeat Herobrine.

---

**Aidan 4/7 says**

It wasn't that interesting throughout the story but it was a good book nonetheless.

---

**Kristy McRae says**

My son would give this a higher rating, because it's Minecraft! For a graphic, the pictures were often too dark to see, and grainy most of the time. Seemed more like a rip-off of someone's Minecraft game, rather than a cohesive story with good illustrations.
