City of Demons Richelle Mead

Previously published in *Eternal Lover*

Seduction is Georgina Kincaid's weapon—and elixir—of choice. The Seattle-based shape-shifting succubus is used to getting what she wants, when she wants. Until she falls for a mere mortal...

Georgina is finally, irrevocably in love, and she doesn't care who knows it. There's just one problem. If she and her boyfriend, Seth Mortensen, succumb to their all-consuming desire, the consequences will be dire: Seth will be destroyed. Of course, no one cares about their struggle to keep their hands to themselves, especially not Georgina's archdemon boss, who is sending her to L.A. to sit on a demon-run tribunal. An immortal has been murdered—and the high court is determined to find the killer and set an example...

Bribery, corruption, murder—the three demons on trial will stop at nothing to avoid a guilty verdict. But all the dark magic zipping through the atmosphere must be going to Georgina's head, because suddenly she suspects that Seth is up to no good. Now she can't help but wonder how far she'd be willing to go to make sure she doesn't lose the love of her immortal life...

Tash says

4.5 stars.

Christine Peterson says

Cute little short story involving our favorite couple!

Steph Cuthbert says

It was okay, but I think it would have been better if I'd read it during my GK binge a couple of months back

Rating: 4 Stars

So I was about 20% into book three when I started this. I was in a spot where I couldn't listen to anything but I could read so this seemed like the perfect fit when I found out about it. Short and sweet this novella isn't necessary to the development of the story but it really does set the stage for some things in book three. It also broke my heart a bit. This novella isn't necessary to the overall story thus far as I can tell but it really added some insight into not only the world but Georgina and Seth.

Georgina is sent to the demonic version of jury duty to stand in for her boss. An immortal was murdered and they are to have a tribunal where its not really about truth and justice but bribes and power plays. Since he pulled her away from her vacation away with Seth her boss did decide to send Seth with her which may be more trouble than help as Georgina begins to think Seth is up to something.

The trial itself was rather fun. I loved the idea of the one bribe and what it would mean. The whole concept was interesting for sure to see the inner workings of demon court. Still the happy fun times I was expecting for my couple broke my heart a bit. Some things are done and it left me rather upset at Seth, though I do acknowledge both made mistakes. In the end the court case was a win for me and the other aspect not so much as it knocked me off my happy place for my ship.

So the part that annoyed me with Seth was the cheating. Not the physical. He had the okay to do that and while it would have been hard to see it was acceptable. But for me, given their circumstances, what he did was worse. He emotionally cheated on her. He can't pull himself from his writing for her, the woman he loves for anything but he pulled himself away and engaged with Beth. He opened up to her about things he wouldn't tell Georgina. He always says he doesn't need the physical he loves her and what they have but then he goes and basically does that with someone else. So he's emotionally cheating on her and then makes her feel unwanted when she is trying with him sensing something is up. He couldn't hold to his own level of honesty and truth. Now I give him props for not doing anything more later but it was the stuff that happened before she took the form that got me. So that is it on my rant. Oh and she did totally ruin their chance to finally be together though given everything it would have been hard to do.

Namista says

Ah. Brings back memories ((:

Kathie says

I absolutely adore Georgina!

Brittney Reed says

This book was amazing. Took me a chapter to get back into since I read the rest of the series over a year ago. But I'm glad I did read it. I wish this series wouldn't have ended.

Ashley says

Oooohhh what's this?!!!

Hollis says

I feel like what happened in this novella is going to bite Georgina in the ass later.

Dimza Hatikova says

The bribing was pretty intriguing. Kurtis's offer seemed too good for Georgina to pass up.

I wish, at the end, Georgina and Seth had come clean about her deception and his source of uneasiness. I wanted them to maintain their commitment to having an open and honest relationship.

Heather Finley says

I want to cry I loved this book so much. The Georgina Kincaid series is probably my all time favorite series and getting a new piece of it was amazing. This book was previously published in an anthology. Even though I preordered this, I waited so long to read it because I wanted so bad to not be out of new Georgia stories. Does that make sense? I seriously read this slow and carefully to draw it out because I love this world so much.

Can we get some prequels? Some more in-between stories? Anything? Pleasssseeeee.

Ana Andrade says

This is one of my fav series EVER. Georgina is a badass character who always surprises me and I'm so happy that I didn't read this short story few years ago when I felt for the Succubus Series but that I rather read it now and I felt like I had a little bit of Georgina and Seth back

Alexandra Kapoutsou says

3,5 *

Πρ?κειται για ?να βιβλ?ο "ενδι?μεσο" του 2 και 3 της σειρ?ς. Αυτ? τη φορ? η Mead μας παρουσι?ζει σε μ?λις 100 σελ?δες το σ?στημα "δικαιοσ?νης" (αν μπορο?με να το πο?με ?τσι) των δαιμ?νων και των πλασμ?των της κ?λασης.

Παρ' τη μικρ' του 'κταση προσφ'ρει για 'λλη μια φορ' ανατροπ'ς της τελευτα'ας στιγμ'ς.
Επιπλ'ον, βλ'πουμε τη σχ'ση των πρωταγωνιστων να δοκιμ'ζεται, 'σως περισσ'τερο απ' κ'θε
'λλη φορ'.

Ε'ναι ευκολοδιαβαστο και κρατα το ενδιαφ'ρον του αναγν'στη, καθ'ς προσπαθε' να ανακαλ'ψει
τον 'νοχο'.

Καλ' βιβλιοσυν'χεια! ?

Emma says

So good to get more Seth and Georgina time but wishing I had read this before number three!
