Daniel Leader's Kit with DVDs: Lives of Integrity, Words of Prophecy Beth Moore

Daniel: Lives of Integrity, Words of Prophecy - Leader Kit by Beth Moore helps a leader facilitate this women's Bible study of Daniel and contains all that is needed to conduct the 12 weeks of small group time. Join Beth in a faith-building study of prophecy and learn how to live with integrity in today's self-absorbed society. The prophet Daniel faced unbelievable pressures to compromise his faith, to live in a hostile culture, and to confront temptations and threats. Today, believers in Jesus Christ face many of the same trials.

This Old Testament Bible study falls in two parts and can be used as one (12 session) study or two separate (6 session) studies. The first portion, from Daniel chapters 1-6, deals with Daniel's life as he faced the kind of pressures and temptations Christians encounter today. Daniel models how to develop enduring integrity in an enticing world. The second portion, chapters 7-12, explores thrilling prophecies from the time of Daniel through the second coming of Jesus Christ.

The Leader Kit includes:

This is another Beth Moore study that I did instead of reading the book. It really brought out some wonderful truths from Daniel & prophecy that runs rampant throughout the book of Daniel. I gained more insight on his life & that of his three friends & the great faith that they showed despite their youth. God is so orderly in what He does, & the truth of what happened in the great empires of long ago is shown to be predicted in precise detail. I was amazed!

Beth Moore has done it again! Wonderful Bible study on the book of Daniel. Get ready to learn! This book is full of information to grow your faith and understanding of the Bible.

Maria Connor says

Another great study from Beth Moore! The first 6 weeks focus on Western culture, comparing it to Babylon. It was a couple weeks before I found it very life-applicable (although I learned a lot) but now I am getting so much out of it almost every day. We are on week 5. The DVD teaching is amazing. The second 5 weeks of the study focus on prophecy.

Wonderful. Life changing study!
