## **Eden** Bobbi Smith

*"Just know that, no matter what, I truly do love you."*

Those scribbled words and a Bible were all that remained of Logan when Eden awoke. Their romance had been born amid the ravages of war. Intense, passionate, and swift, love had struck Eden, and she had surrendered to its mercy. She had given her innocence, shared a home—even exchanged wedding vows—with the handsome stranger who had saved her life. But as the sun rose on a new day, she realized their whole relationship, their life together, had been a lie. Her lover, her husband, was a Yankee soldier who had used her to infiltrate the Confederate cause. He had betrayed her, and she in turn had betrayed the Rebels. The hardening of her heart should have been as rapid as the loss of it. But one question remained: In the face of all the deceptions that had come before, had he left her with a final truth?

## **Eden Details**

### **Heather says**

Good book. I just wish that it would have been more to it.

---

### **Joeera says**

This was a good story i enjoyed reading it.

---

### **Tina says**

This was a very enjoyable story. I would recommend to any one who enjoys an easy read romance.

---

### **Sharon Smalley says**

#### **Good reading.**

I loved the characters! The way Ms. Smith actually had more than one story to add to the plot. Enjoyment the whole time!
