**hotskullgirl says**

This how to draw pokemon book is really helpful for starters and advanced people that are drawing. The "action lines" are a really great thing to help kids draw and I have become a really good drawer, and this was my first drawing book that got me started.

---

**Luke Owen says**

I enjoyed this and I drew a lot of Pokemon in 4th grade but also these pokemon are old now and I have feel old.

---

**Potterfan56 says**

i learned to use many varieties of colors and to make the Pokemon look like a professional did it.
