No Hiding Place Valerie Wilson Wesley

When Newark hoodlum Shawn Raymond is killed, his mother, Bessie, hard-earned money in hand, begs Tamara to look into the unsolved murder. According to Bessie, the cops just didn't give a damn, but Tamara is enough of a realist to know the sad truth that gangsters usually end up getting what they deserve. Yet she can also remember a time when Shawn Raymond was an innocent boy, loved and mentored by her dead brother, Johnny. She knows that the void left by Johnny's suicide may have contributed to the bad choices Shawn made. Tied to the Raymonds by grief and memory, Tamara finally agrees to take Shawn Raymond's case. But Tamara finds that the path to the killer leads not only through the city's mean streets and threatened middle class but into her personal life as well, in a terrible, shattering way. More blood will be spilled before Tamara learns her bitter lesson that when it comes to murder and the evil in people's hearts, there truly is no hiding place.

great book 5 stars loved it

Tori says

I love "Tamara Hayle" and always welcome her back, but this one was so-so for me.

Tamara Always gets into dangerous situations. This story affected three familie and the murders included seems to be the line that's connecting everyone involved. Antoine Raymond was killed first,then his son, Shawn and tragedy struck again,killing Gena Lennox. The only innocent party in this story is baby Gus.

Mia says

This was the first book I read a crime novel, and by this author, although I know she has written many books. A private investigator (Tamara) is commissioned to solve the muder of someone who is involved in her past. Secrets are revealed toward the end. It was an interesting read.

Mary Newcomb says

Tamara Hayle is smart, sassy and funny. She is also a PI who solves the mostly forgotten murder of a Newark street tough. Her observations about the community are fascinating and more than a bit disturbing.

This one had a great Chandler-vibe. I can't quite put a finger on it, why, but I guess it's the family-drama. I like the realness of it all, it has a good drive and a good kind of soberness while still allowing emotions.

Mona Grant-Holmes says

This is one of my favorite mystery series. The setting is Newark, New Jersey, Tamara Hayle is a wonderful character. Valerie Wilson Wesley is always hits the mark.
