One Winter's Night: A Regency Yuletide Collection Jo Ann Ferguson , Karen Frisch , Sharon Sobel , Shereen Vedam

***Yule Be Mine* by Jo Ann Ferguson**

Priscilla Flanders Hathaway and her new husband Neville are intending to spend Christmas together at their country estate with family—until a group of friends alight on their doorstep. The more the merrier . . . until they discover that one of their guests is about to commit murder...

***No Room At the Inn* by Karen Frisch**

All the widow Rosemary Boughman wants for Christmas is to spend a joyous holiday with her young son in the small inn she's inherited. And if business picked up—or even started—that would be even better. What she gets, however, is a visit from her late husband's commanding officer... intent on keeping a promise.

***In the Season of Light and Love* by Sharon Sobel**

When her sister and brother-in-law are lost at sea, Miss Violet Makepeace vows to do anything she can to give her young niece and nephews a Christmas to remember. Unfortunately, she hadn't anticipated having to share them—and the holidays—with the rakish, absolutely irresistible James Hanford, Earl of Greenlough.

***A Season For Giving* by Shereen Vedam**

After one unsuccessful season, Miss Honoria Gilbert knows just what she wants in a husband. And she's finally found him. But Christopher de Wynter isn't your typical English gentleman. He's living a double life, doing undercover work for the crown, and has no intention of letting anyone get too close. But then again, he's never been up against the power of a young lady's Christmas wish...

Kim Power says

Enjoyable Christmas Reads

A great opportunity to reconnect with old acquaintances and meet new ones. Each novella combines mystery and romance, and the third a touch of the paranormal. I shall look for more by these authors.

Mauojenn ~ *Mouthy Jenn* ~ says

This was a nice book of short stories around the Christmas holiday. Some were very good and one not so much. Most had a good story line but just needed some more meat to them. But not a bad book at all.

Vicki says

I totally enjoyed all four books that were in this Christmas compilation. They each were filled with loving and giving characters. The last book, A Season for Giving included magic that made the story so unique and wonderful. The stories were perfect for the Christmas season with their uplifting story lines.

I liked all four author's work and thought the writing was excellent. So glad I was able to read this book.

Laura Ottenstein says

It is hard to rate this book because the story quality varies so widely. The first story reads like a sequel to something I haven't read. And really, a bunch of people invite themselves to your house for Christmas, get there before you, and walk in without the servants noticing? I thought the second story was going to be better but it went downhill pretty quickly. The writing wasn't great, the character development was minimal, and the hero was only marginally likable. The third story was somewhat better, if predictable. The final story I liked a lot. It was different, interesting, and had a strong heroine, something I always appreciate.

Jen says

My thanks to NetGalley and BelleBooks for an eARC copy of this book to read and review.

I think this book is a good example of how everyone is different and everyone likes different things. This book did not appeal to me. To be completely honest, I DNF'd two of the four stories in it and the two I did complete did nothing for me.

I love Regency based books, have loved them since I was introduced to them in high school, but this book left me cold. I'm glad it wasn't my first introduction to the genre, because I don't feel it represented the genre very well.

This book wasn't one I enjoyed, but others might. I wouldn't recommend it myself. One star.
