# Running into Temptation

*Amanda McCabe*

**Running into Temptation** Amanda McCabe  
*Gretna Green, 1814*

After narrowly avoiding scandal with a falsehearted rake, Miss Melanie Harding is sent to live quietly in the country. No balls. No parties. Certainly no flirting with dashing strangers whose dark eyes hint at all kinds of delicious wickedness.

All of Philip Carrington's practical plans evaporate the moment he encounters Melanie. Is it foolishness to run away with her to Scotland, or the wisest thing he's ever done? The lovely, impetuous Miss Harding kisses like an angel—and brings out the very devil in him. And together, they may discover the most passionate adventure of all....

## **Mary Anne says**

his book is a Harlequin Historical Undone - very short and quite spicy.

Not being a huge fan of Regencies, I wasn't sure what to expect. This is a simplistic but enjoyable story about a young woman who runs away on a whim to Gretna Green to marry her newfound lover, and is briefly accosted by the villain, a man she was once romantically involved with.

I read this book in less than an hour -- it is brief and apparently the third book in a series with two longer books.

It almost seems the love scenes take up most of the book, but that is probably what Harlequin wants.

I enjoyed it, and give it four stars. You can only do so much with a few thousand words, and Ms. McCabe manages to create a high-spirited heroine capable of admitting her mistakes and attracting and keeping a husband who loves her!

## **Pamela Fernandes says**

This is a very short short. I think this was a filler in the series, with the author mentioning in the preface, that this pair were villains in another book. So barely seven chapters.

Melanie was banished from Bath after she was caught stealing a kiss with Captain Whitney. He had no intention of marrying her.

In the small local village, Philip appears and is instantly attracted to Melanie.

The progression from meeting to travelling to Gretna Green to getting married, is so fast, it takes place in two pages. Yup.

From there on Captain Whitney shows up and throws a temporary wrench in the plans till things get sorted. I would have liked if the author was writing this novella, to flesh out the story, the romance and their personalities some more. The whole things felt too contrived. While the initial setting started off well, describing the dull village, it seems to have been forgotten for the rest of the book.
