### **Miriam says**

These bunnies are **really** dumb.

---

### **Julie says**

Apparently kids love this book, so I'm game to try it as a read-aloud. This adult wasn't impressed.

---

### **Kest Schwartzman says**

This is the kind of book where the appeal, to the kid, is that the kid gets to shout about how **WRONG** everything is.

Maybe that's what you and your kid enjoy. That's fine. The world takes all types. I'm only giving it 2 stars, though.

### **Auttumn C says**

This book is hilarious!!!! I would not read it to my class but I would definately read it to my own children. This book made me and my boyfriend laugh so hard we had tears streaming down our cheeks by the end of it. **WARNING:** not a book for people who do not have a sense of dumb humor! :)

---

### **Adele says**

This is my all time favorite children's book!

---

### **Nicodemus says**

This book is too dumb to get a review.

---

### **Kelly says**

These bunnies are very dumb, or in my opinion, silly! They do everything wrong, and are completely happy

with that.

---

### **Jennifer (JenIsNotaBookSnob) says**

These don't really stand out, but, my daughter really likes them as dumb humor is sort of her thing at the moment. Illustrated by Pilkey, which makes them more interesting.

### **Ryan says**

The dumb bunnies are great for a laugh every time.

---

### **Briana says**

Mr. Pilkey! What were you thinking writing this trash? Ugh. My brain is numb...like I have just watched too many mindless cartoons on TV. I cannot believe people like this book. I would never read this to my children! I have no appreciation for dumb things....and neither should you. BIG FAIL!! ;\_;

---

### **Elizabeth Chang says**

It takes a while to get used to dumb bunnies...they're so frustratingly dumb...and wrong...and all sorts of annoying. But I confess that it's actually kinda fun to spot all the things that are so freakishly wrong with the pictures.

---

### **Chris Edwards says**

I laughed so much. "You'll get us all killed."

---

### **Bridgette Elston says**

hard not to like something that makes my kid laugh that hard. serious belly laugh on every page.

---

**Wendelle So says**

the author specializes in producing books that are so astoundingly dumb in content yet paradoxically as hot-selling as pancakes, that an observer may be forgiven for suspecting for a split second that Dave Pilkey, like Trump, possesses some intuitive genius about human nature or at least the more immature parts of it.
