Read this with my son, he enjoyed it. I didn't like it as much as some of the other Boxcar Children mysteries.

3+. This was especially appropriate to read during the week of our county fair. It was fun to compare and contrast the Boxcar children's fair with ours. We talked about competitions, rules, sportsmanship, things to say to fellow competitors, and giving gifts to others that are meaningful. The boys did paint by number paintings and strung beads on a necklace to give to their moms.
