Tom says

This is my first Ali Bader book and i had high hopes, BUT:

I find it hard to rate this book as i struggled with its bloated first and 2nd act. This book needed a ruthless editor to trim the book down by 60-80 pages.

The book deals with similar themes of deceive and immigration as other books out of that era.

i found the character of "Waled" the most interesting aspect of the book.

Happy New Year
