Ithanalin's Restoration Lawrence Watt-Evans

When Magic Goes Awry . . .

What is an aspiring apprentice wizard to do when she finds her mentor and master frozen in his tracks by mysterious magics?

Kilisha of Eastgate, a promising young student of wizardry in the city of Ethshar of the Rocks, still has much to learn before she can assume the robes of a journeyman enchanter. But when her teacher, the venerable Ithanalin the Wise, is overcome by a peculiar spell that scatters his soul amongst a collection of runaway household furnishings, it is up to Kilisha to find the cause and restore him to his former self. Adventure and mayhem abound.

Steven says

A nice light hearted fantasy. A good summertime read.

Shawn Thrasher says

The kind of fantasy book I would have loved as a teenager, and clearly liked as an adult. Simplistic plot but some funny scenes, shallow but fun characters (with hideous fantasy names).

Kevin Driskill says

This is a very nice tale that further explains the wizardry in Ethshar. There is a lot of cross over to other books n the series but nothing that keeps this story from standing on its own. You will be delighted if this is your first venture into the world of Ethshar to find the other wonderful stories in the series.

Alain says

Fun!

Scifimoth says

A light-weight read, but entertaining nonetheless.

M says

Good fun, one of the smaller ethshar stories but entertaining nonetheless.

James says

A fun, lighthearted read about a young apprentice that gets her act together. I enjoy most of the books written by Watt-Evans.

Andrew Clough says

I chuckled out loud a number of times.

Tom says

One of the weakest of the Ethshar series in my opinion.

Suggest reading Misenchanted Sword, Spriggan Mirror instead.

Curtiss says

This is one the Magic of Ethshar series of books. I recorded most of them, including this one, in 50-55 minute installments for my local Golden Hours radio service for blind or reading-impaired listeners. I also made CD copies for myself.

My favorite book in the series is The Missenchanted Sword, closely followed by The Blood of a Dragon.

David says

As the terrible pun in the title indicates, this story follows a wizard's apprentice in the quest to put his soul back together after it is accidentally distributed amongst all the furniture in a room. The furniture, of course, becomes animate and makes a break for it. Clever and charming.

Rich says

WANTED, Ethshar #8
