## **Kincaid's Hope** Grace Greene

Beth Kincaid left her hot temper and unhappy childhood behind and created a life in the city free from untidy emotionalism, but even a tidy life has danger, especially when it falls apart.

In the midst of her personal disasters, Beth is called back to her hometown of Preston, a small town in southwestern Virginia, to settle her guardian's estate. There, she runs smack into the mess she'd left behind a decade earlier: her alcoholic father, the long-ago sweetheart, Michael, and the poor opinion of almost everyone in town. As she sorts through her guardian's possessions, Beth discovers that the woman who saved her and raised her had secrets, and the truths revealed begin to chip away at her self-imposed control.

Michael is warmly attentive and Stephen, her ex-fiancé, follows her to Preston to win her back, but it is the man she doesn't know who could forever end Beth's chance to build a better, truer life.

## **From Reader Review Kincaid's Hope for online ebook**

### **Rita says**

#### **Nice quick read**

Nice little romance for when you are busy with interruptions Not really a page Turner, but easy to pick up again.

---

### **Holly says**

I very engaging story and I couldn't wait to see what happened next. It had a decent romance but I didn't really feel it. The story was good so I didn't deduct a star for that.

---

### **Jessica Murphy says**

I liked this book more than I thought I would!

---

### **Leu Hayes says**

#### **Second chances and real hope.**

I would definitely recommend this book to other readers that enjoy a real clean love story. Full of regrets, hurts from old memories, and forgiveness, and a rewarding lasting good feeling.

---

### **THOMAS CLARKSON says**

#### **Great read. I love the characters. Just enough suspense.**

Great characters. Great read. Moves along and describes scenery and people involved on the story. Good book for beach vacation.

---

### **Priscilla says**

#### **Links its Hope by Grace Green. Very descriptive of the country side, and the long time residents.**

Grace Greene makes you see inside the unforgiving past of Kate. Finding her love from way back as a child makes you think, can your anger blind you to love. Loved this story.

---

## **Sharon Brewer says**

### **Great Story!**

I really enjoyed this book. The story drew me in immediately. This is a story of forgiveness, and learning to move on. I liked the way the author slowly built up the suspense. I wasn't sure how it would end. I highly recommend this book to all readers who enjoy romantic suspense.

---

## **Rita says**

Really enjoyed this clean novel with VA setting and a few twists in the story. Enjoyed getting to know the main character. Was a reminder that even though we think our pasts don't affect our present decisions, many times it does... & that forgiveness helps us even more than those we forgive (especially those who believe they never do wrong - LOL). Enjoyable read & like this new-found author.

---

## **Cindy says**

I enjoyed this book, although I thought Beach Rental was harder to put down. I am awaiting Grace Greene's next book!!!

---

## **Patricia says**

Kincaid's Hope is well worth reading. Plus, if you remember authors like Mary Stewart, Phyllis Whitney, Victoria Holt, etc., their type of romantic suspense is part of the storyline, in this book...Grace's salute to these wonderful authors.

---

## **Crystal (Books Are Sanity!!!) says**

First I have to mention that I love the cover of this book! Beautiful and relaxing are the words that come to mind. The book is about a woman named Beth Kincaid, and how she struggles to come to terms with her past and in turn, has to decide how that will affect her future. Grace Greene tells a story of heartache, loss, love and forgiveness. There is also an element of danger and suspense, which will have you glued to the book. Once the characters and town were established, the story took off and I did not want to put it down! I think that my favorite part about this book is this one truth: You cannot run from your past. Beth tried to run from hers, but eventually she had to face it.

I loved the stories within the story, excerpts from the books that Beth would read! I found out that Grace Greene wrote these as well! A successful author of contemporary romance, I believe that Grace Greene can be successful at historical romances if she chose!

---

**Anna says**

I did not expect to love this book as much as I did. For me, part of the appeal was that it was not a clear-cut romance in that there's one man and one woman who are obviously going to end up together. There are three men involved in Beth's life throughout the story, and while one of them is clearly not a good choice, the other two are both appealing in their own ways. I also love that it's very much a story about the heroine and things she needs to learn, not always in relation to men in her life. It read much more like women's fiction than romance to me, but there is a happily ever after at the end.

---

**Lydia Sweeny says****Ready for a great book, you've found one**

Loved the twist, a tad bit of suspense, and family love. Great book to read in a quiet setting or on the lake!

---

**Linda Rainey says**

This was very moving story with romance and suspense.

I was captivated from first word until last.

I always enjoy stories with strong female characters and Beth Kincaid fit the bill.

I await hearing more about Virginia country roads

---

**Patricia says****Beths...Awakening**

She came home to clear her head..Instead she found she had lost her guardian..Had to face the past..she had tried hard to put behind her...Now she was facing a lost love
