More is heating up between Masashi and Sakura. I really hope they end up together and everything works out. While I do enjoy Masashi's feminine character, I wish that side of him was diminished a bit so that he and Sakura had more of a chance.

AWESOMENESS!

really good

I enjoy this series about Sakura and her brothers. In this volume the soccer team is trying to have Sakura come to camp with them. Needless to say her brothers figure a way to follow. She also is invited to an amusement park needless to say two of her brothers follow to make sure she is not on a date.

I picked this series back up because of my "noble cause" of finishing what I start. Yeah, yeah, more like it's there and available. I'm not sure it was worth the time of restarting this when there were others I could have been looking at. But all-in-all, this was okay. This volume was okay. I still prefer Masashi as an overprotective brother rather than love interest.

It's the parts like when Takeshi called his brother over his lost shoe that really amuse me. However I feel like as far as Sakura's love for Masashi it was like BAM! You kinda see it coming but then it almost felt rushed when she starts to confront herself about it. Plus years fly by so fast in the volumes it's a little confusing to keep up with the time, you see the same holidays happening multiple times in a short amount of time.

I read 2-5 in one sitting so they all blended together XD oops.

Me & My Brothers adalah salah satu serial yang paling saya tunggu di setiap terbitan HanaLala, dengan versi Indonesia berjudul With My Brothers. Ceritanya simpel, lucu dan lumayan kental aroma kekeluargaan. Artworknya nggak begitu bagus... sedikit kasar dan berantakan malah. Tapi saya nggak begitu peduli.

Sakura Miyashita baru saja kehilangan nenek yang merawatnya sejak kecil. Untungnya Sakura tidak akan hidup sendirian, karena empat orang pria yang mengaku sebagai kakak Sakura datang menyelamatkannya dan mengajak Sakura untuk tinggal bersama. Keempat kakak tersebut punya kepribadian yang berbeda-beda, tapi tipikal banget harem di shoujo manga: Masashi si anak sulung yang pencemas dan keibuan, Takashi anak kedua berkacamata yang kalem dan kebapakan, Tsuyoshi anak ketiga yang agak temperamental tapi sangat protektif, dan Takeshi anak keempat yang badannya paling tinggi tapi paling pendiam.

Belakangan malah diketahui bahwa Sakura dan keempat kakak laki-lakinya sama sekali nggak berhubungan darah. Sakura adalah anak hasil hubungan ibunya dengan pria lain, yang lantas menjadi celah bagi Sakura untuk melabuhkan hatinya pada si kakak sulung, Masashi yang jauh lebih tua dan kerap berpakaian wanita. Masashi bukan banci atau gay. Dia berpakaian perempuan karena ingin mendalami perasaan wanita demi profesinya sebagai seorang penulis novel dan juga niatnya menjadi sosok ibu bagi Sakura (ngehe banget). Tapi kegemarannya ini lumayan menghibur kok, soalnya bikin Tsuyoshi jengkel dan mereka biasanya bakal ribut-ribut.

Karakter di komik ini sedikit mengingatkan saya sama karakter utama di Ouran High School Host Club. Dimulai dari Masashi yang berusaha menjadi ibu bagi Sakura, persis Tamaki yang merupakan sosok ibu di antara anggota klub. Juga sudah jadi ciri khas shoujo manga kalau ada harem cowok pasti bakalan ada tokoh berkacamata, tokoh pendiam berbadan tinggi dan tokoh berisik. Saya sih sebenarnya nggak mau ngeluh, karena kedua bukunya sama-sama menghibur dan punya perbedaan. Tapi makin lama formula seperti ini makin menjemukan.

My favourite character in this series is Takeshi, the youngest brother. He's quiet, gentle and kind. So cuteeeee! He reminded me of Kotarou from Gakuen Babysitter, maybe he's the older Kotarou... I decided to DNF this series because I've seen this kind of story line before, and it wasn't that refreshing compared to the other series that I've read. Even though, I'm jealous of Sakura for having so many great brothers, but I don't like her falling in love with Masashi (the eldest bro) and ended up with him. They are not blood-related but this doesn't seem right to me, nope! So I'm gonna give this series a 3.5 stars, the art style did get better, and I prefer the author's other work, which is Gakuen Babysitter!!

Karla says

Sakura, an orphan, currently lives with her four older "brothers" ~ who are not related by blood. Her mother married their father when Sakura was a baby, but when the parents died, the kids were separated. When her grandmother died as well, the loving (if over-protective) brothers show up to take care of Sakura. Now 16, Sakura begins to discover some un-sisterly feelings towards cross-dressing Masashi, her oldest "brother." Will they go over the line? Funny, romantic, and a little disturbing...(disturbing for me...I'm not sure about the cross-dressing twist...) But I'm definitely interested! Bring on number 6!
