Preacher's Showdown William W. Johnstone , J.A. Johnstone On A Journey For Dreamers

In the bustling streets of St. Louis, two cousins have a dream: to travel west with a wagon train of supplies and make a fortune in trade. Since a rugged mountain man called the Preacher saved their bacon once before, they turn to him again. . .

In A Land Full Of Danger

Preacher needs a job and is heading west anyway. But he doesn't bargain on the beautiful woman who sneaks her way into the wagon train and the trouble she brings on board. Then, before he can wash his hands of the whole bunch, he's suddenly in a fight for his life.

All Roads Lead To The Preacher. . .

Sensing easy prey, outlaws in a lawless land have swooped down on the band of pilgrims already bitterly divided by secrets, passions, and hatred. And for that, they will all answer to the Preacher. . .

Sue says

Huge disappointment and colossal waste of time. Once the name CORLISS kept appearing too many times--to the point of 5 times on one page--ick, I was disgusted. This book went right downhill, and didn't have much to offer in the first place.

Dave says

I finished this book in one day, so it was a quick read. It is a straightforward adventure story about a mountain man guiding a group of greenhorns through the wilderness 200 years ago. The plot was predictable, but entertaining. Indians, bad guys, dissension in the ranks were all plot elements that kept things moving along quickly. The hero, "Preacher", is a likable but highly capable personality who would prefer to be out in the wilderness by himself. The story involves him getting dragged into other people's issues. I liked this book.

Susie Belcher says

Excellent series

If you like stories of the old west and mountain men, this is an excellent series. It even has a bit of romance from time to time and all the action and adventure you could possibly want. A great read.

Mary Higby says

Very good book

It was a very good story line. It was full of twists and turns. A interesting plot. Full of adventure and mayhem. Kept the plot going.

Gerald Burghaus says

Another great book from a great man with imagination of how it was moving west.

This is a very good read on how the western movement may have taken place. It may be fiction but it does give a reader of what hardships the actual settlers faced.

Tori says

Suspence to the last, but the details get wrapped up. ;-)

Eric says

William W. Johnstone sure knows how to create characters that one can really learn to like and want to get to know better. The character of Jack was one of them and I hope we get to learn more about him in future novels. Having a child written into the stories really makes Preacher more human and lighthearted. The feuding between minor characters sometimes gets to be too much book after book but life is just like that I suppose and in no way does it change the way I feel about this series.

Art says

Time before the Oregon Trail. Preacher leads a small group out of St. Louis to start a Trading Post around South Pass area.

Interesting reading in that it continued the preacher series and that preacher is a man of his word.

Johnstone is Different writer from Louis L'Amour.

Enjoyable lite reading.
