Gunspurs says

Apparently this book has been put on hold indefinitely.

Note to self: Do not get invested in any more JF series.

I so wanted to read this....but according to some blogs I've seen this series is on hiatus.

Very disappointed.

Looks like this book is a no go... Sad too because I just love this series!!

I emailed Jackie via her web site, and got a reply this is what she said..and I quote " I am sorry to be the bearer of bad news but the third installment in The Three Worlds Series has been put on hold indefinitely." I am sad now....:(

I would like to drop a metric ton of F-bombs, I have read many of Ms. Frank's books, and the "postponed indefinitely" factor is making me flip. Arg.

Isn't this book summary wrong?

Andrea says

Pat Patterson says
