Warren the 13th is back in another lushly illustrated middle grade adventure.

This sequel to *Warren the 13th and the All-Seeing Eye* begins soon after the first book's conclusion. Twelve-year-old Warren has learned that his beloved hotel can walk, and now it's ferrying guests around the countryside, transporting tourists to strange and foreign destinations. But when an unexpected detour brings everyone into the dark and sinister Malwoods, Warren finds himself separated from his hotel and his friends and racing after them on foot through a forest teeming with witches, snakes, talking trees, and mind-boggling riddles. Once again, you can expect stunning illustrations and gorgeous design from Will Staehle on every page along with plenty of nonstop action and adventure!

Fakt nem?žu jinak. Tohle je prost? jedna z t?ch jasných top knížek, které v letošním roce p?e?tu. Ano, p?íb?h je sice slabší a nese se v duchu p?edem vystav?ného scéná?e dvojná?k-terý-zaujme-mé-místo-a-já-proti-tomu-musím-n?co-ud?lat, ale dost velkou m?rou to vynahrazují všechny ilustrace a obrázky. Ta kniha je prost? zrozená k vystavení na ?estné místo v knihovn?ce.

Review originally posted on The Bibliophile Chronicles.

I recently read Warren the 13th and the All-Seeing Eye in one sitting on Halloween. I loved it so much I dived straight into the second book in the series, Warren the 13th and the Whispering Woods. In this instalment Warren and his friends are back, this time in their moving hotel. All the favourite characters are back, including my new favourite Sketchy the monster. Like the previous book it is absolutely beautifully illustrated, and the overall design is stunning. I loved the red theme than ran through the All-Seeing Eye, and now the green for The Whispering Woods.

Whilst this story has plenty of action and excitement, I didn't enjoy it as much as I enjoyed the previous book. It is a fun and charming read, but didn't hook me in the same way. That being said I still think it's a fabulous story, and a wonderful series for children and adults. This book has a much more witch centred theme than the All-Seeing Eye, and I loved the illustrations of the nasty witches and the evil Witch-Queen.

With Warren wandering around in the woods this book is very reminiscent of old fairy stories, and this was something that I really loved about the book. The book has lots of themes that I think appeal to little ones and not so little ones, like friendship, loyalty and bravery. If you're looking for a fun read this winter, the Warren the 13th books are the gorgeous books you need to snuggle up with at bedtime.

Tak toto sa k jednotke ani nepriblížilo. A bolo to viac také... detské. Akože hej, je to detská knižka, ale jednotka bola taká, že mohla zauja? aj starších ?itate?ov.

Takže pokra?ovanie... Niektoré knihy i filmy tým skôr utrpia ako im to prospeje. Pri tejto knihe, ide o celkom vydarený balans jednotlivých faktorov. Dej je o Warrenovi a jeho priate?och, ktorí musia opä? vyrieši? zapeklité situácie. ?o to má spolo?né s Warren Trinásty a Vševidiace Oko ? Dos? ve?a, sú tu zas a znova ako úhlavné nepriate?ky ?arodejnice, ?o ve?mi zvádzajú k porovnávaniu. Na druhú stranu pribudlo nieko?ko nových postáv, ktoré ovplyv?ujú dej ?ím sa obe knihy líšia. ?o ma pocitovo zarazilo, bolo akési rýchle vyriešenie problému.... V prvej knihe ten koniec neboli taký rýchly... ?i som prosté, len rýchlo ?ítaťa?

Po vizuálnej stránke sú prvý aj druhý diel ve?mi príbuzné a zladené, kým prvý diel do oranžova, druhý je ladený do zelenej. A je to vlastne super. Strany s ?arodejnicami sú aj s tmavým podkladom, takže ?itate? hne? vie, o kom je práve re?. Ako som si všimla v prvom diely, oplatí sa sledova? celú stranu, nie len text... Takto sa k nám dostanú ?alšie informácie. Aj ke? tentokrát mi hádanky robili chví?u problém.

Celkovo je to vydarené pokra?ovanie v podobnom štýle ako prvý diel.

Tania del Rio's "Warren the 13th and the Whispering Woods" is a fun, entertaining read. The book itself is attractive and well-put together. Will Staehle's illustrations add a lot to the story and appearance of the story. They make reading the book more fun and engrossing for children. I would definitely recommend this book to young people and/or the parents of; it would be exceptionally delightful to bring on a camping trip! I won my copy of this book from the Goodreads website and I appreciate the opportunity to read and review it. Note - the book is also of sturdy construction and can take a lot more of the wear and tear that young people can put their books through than many other books can.

Warren the 13th and the Whispering Woods picks up where Warren the 13th and The All-Seeing Eye left off. It was discovered at the end of the first story that the hotel could walk, so it became the world's first Traveling Hotel. In this story, the twelve year old orphan Warren the 13th is making a good living running the family hotel, that is until he gets taken in by a mimic. When the mimic traps him in a store and takes over the hotel, the trouble begins. I do not want to spoil the story except to say that once again the witches are

involved. The queen, an especially powerful and evil witch, plans to steal the hotel for her own purposes. Warren is able to escape and now must cross the Malwoods, a dangerous forest full of sinister trees to save his hotel and rescue his friends.

I enjoyed this book more than the first. The characters are stronger and their friendships have grown. We see new characters and new situations. The messages of kindness, hard work, using your brain, loyalty, and the love of family and friends are strong in this book. Once again the illustrations add so much to the story that children will love it. A great addition to a school, public or personal library. Thanks to the publisher for the opportunity to read and review this book.

Warren the 13th and the Whispering Woods, written by Tania Del Rio and illustrated by Will Staehle was a wonderful surprise. It is the second book in the Warren the 13th series, after Warren the 13th and the All-Seeing Eye, which came out last November. The Warren books are illustrated middle grade novels and I'd situate them at the younger end of the age bracket, more 9-10 than 11-12. I haven't read the first book, but I found that the second book works quite well as a standalone story. I must admit though that I'm curious to read the first book and find out what happened, because it's bound to be a fantastic story.

Del Rio's writing reads easily and is also a pleasure to read aloud, so it should be a fun book to read together with a young middle-grader. The reading experience is enhanced by the gorgeous illustrations created by Will Staehle. I really like Staehle's style, which is quirky and reminiscent of the old-fashioned engravings often found in eighteenth and nineteenth century books and papers. The art compliments the sensibility of the story perfectly and enhances it as well.

Warren the 13th and the Whispering Woods is a very cute story, populated with endearing characters, wonderful villains, and an awesome journey of discovery. Both Warren and Petula learn a lot about themselves and about the world they live in, not in the last place that you can always surprise yourself by being more than you thought you were, whether that is more capable, braver, cleverer, or more determined.

Warren has a great adventure trying to rescue his hotel, one where he has to solve riddles and puzzles, fight witches and assorted ne'er-do-wells, and learn that things aren't always as they seem. In this case, Sir Sap, the sap-squatch, who I adored. I really liked this truly civilised creature, who's cultivated speech and good manners shock Warren a lot. I also really liked Petula's mum Beatrice and the way she communicated via cards, because she lost her voice to a witch. But perhaps my favourite was Warren's pet Sketchy, a kind of multi-eyed cephalopod. He was just the cutest thing and I loved how he saves the day several times just by virtue of his own unique nature and quick thinking.

Warren is a great hero in a wonderful world, where hotels can walk, trees can talk, and witches try to rule everything. I really enjoyed Warren the 13th and the Whispering Woods and I hope to share it and its predecessor with my daughters in the future. You can pick up your own copy of the book when it is published on March 21.

Príjemná detská fantasy zhruba ku deviatim rokom. Miestami prehľadné s trochou schématickými postavami, no napriek tomu veľa sviežich momentov. Škoda amerického bombastickeho záveru. :)

Ivonne Rovira says

Homely orphan Warren the 13th triumphed over a coven of witches and a lazy, malevolent uncle in Tania del Rio's *Warren the 13th* and *The All-Seeing Eye*, thanks to the magical powers of his family's hotel and his own perceptiveness and kindness. The Warren Hotel — planned by Warren the First and built by his architect son, Warren the Second — actually *walks around!* In this sequel, young Warren treats hotel guests to treks across the land. Unfortunately, due to an accident by Warren's lazy, stupid Uncle Rupert, the hotel takes a tumble, and things only get worse from there — although I won't spoil the book by detailing what, except to say that an especially powerful and evil witch determines to steal the hotel for her own nefarious purposes and that Warren has to cross the Malwoods, a forest just as sinister and dangerous as it sounds, to rescue the hotel and his friends.

Author Tania del Rio had a triumph with her debut book, *Warren the 13th and the All-Seeing Eye*, but the sequel is so much better! Will Staebel's quirky two-color illustrations really enhance del Rio's latest modern fairy tale. As with the first book, the sequel celebrates kindness, hard work, cleverness, loyalty, and the reality that your family are the people who love you, regardless of blood ties — or even species. A wonderful message for any age, but particularly in times of uncertainty.

In the interest of full disclosure, I received this book from NetGalley and Quirk Books in exchange for an honest review.

I read this book with my 7 year old boy over the course of about 2 weeks or so. We read the first book last year and really enjoyed it too, so we were excited to pick up this one.

Personally as someone in his 40's I very much enjoyed the style of this book, as well as the writing, characters, and the art... especially the art! This book has that Edward Gorey, Tim Burton, Charles Addams type feel and I just love it!

But that's just my opinion, so in this case I decided to interview my 7 year old son:

Me: What would you rate this book from 1 to 5?

7 year old son: 5 being the best!

Me: What did you think of the book?

7 year old son: I think it was really cool with all the Sapsquatches and witches and stuff.

Me: What did you like most?

7 year old son: I liked the whole book.

Me: Who's your favorite character?

7 year old son: I liked all the characters.

Me: Would you recommend it for other kids?
7 year old son: Yes, cause I loved it so other kids would too.
Me: What age would you recommend it for?
7 year old son: I recommend it for my age...7!
Me: Did you learn anything from it?
7 year old son: Don't trust witches.
Me: Anything else to add?
7 year old son: No, not really.

Well, there you have it.

Warren, Uncle Rupert, Petula, Mr. Friggs, Chef Bunion, Sketchy, and Beatrice are back. This book does pick up from the first one but not to worry as you can still read this book having not read the first one. However, I can tell you that after reading this book you will want to go back and read Warren the 13th and the All-Seeing Eye.

The characters that author, Tania has created for this series is great. They are all diverse but that is what makes them so great. Each one brings something fun to the story. Although, Uncle Rupert is just a big child in an adult's body. There were some super stars in this book. Petula, Mr. Friggs, and Sketchy all got more leading roles this time. It was nice to see Petula having that lead role. I got to know her better and she had a few new surprises this time. Of course, everyone loves Sketchy.

Additionally, this book took the readers outside of the hotel and introduced some new villains and friends. I can't wait to see what new grand adventure the gang encounter in the next book. Warren is a loveable hero. Warren for president!
