### Em says

I love all of Kyle's books but this little gem just has to be my favorite. As always the style of writing is quirky and different and it had me laughing from the word go!

I have to say I'm disappointed. Leia really should have been more helpful and cooperative.

I mean Conrad didn't ask for much, just a little support, I mean, yes, driving off when a cop stops you wasn't the best decision he could have made.

But he did win the game, scissors does beat paper, too bad Brayden doesn't quite see it that way. Leia obviously had a different take on all of it.

Another quick, hot short from Kyle.

Dirty Cop is a short (I mean super short) one handed read for all those who want some porn-without-plot. :) We get cute role play and some seriously cute snark.

On to the next!

### Bev says

*Another wonderful freebie from Kyle. Another shortie review. This is a role-playing novella, had me in stitches, surely Princess Leia could have been more helpful...and I will never, I repeat never look at kiwi fruit in the same way again!! Many thanks once again Kyle. 4.5 stars, a big and*

**Addendum. Go grab this book boys and girls...in fact go grab *all* of Kyle's great little novellas, free as always on Smashwords, or in this particular instance, Heartsonfire Reviews. Brilliant!!**

### Exina says

**Funny and hot! I really enjoyed Conrad's narration and his bargaining with Princess Leia...**

*"I'll buy you a new squeaky toy. That's a sweet deal. You would be a fool not to take this." It definitely got her attention, as she rolled back over and sat up, her little tail going back and forth. She was so adorable, you'd never suspect that beneath all of that cuteness there was a manipulative mastermind preparing for galactic domination.*

**The sex scene was kinky and surprising.**

*"You can't be in here without a warrant." I said weakly. His hands went to the wall on both sides of my shoulders, caging me.*

*"I'm off duty."*

*"You're still in uniform." I nervously licked my bottom lip and watched as his eyes tracked my tongue's movement.*

*"I can change that."*

**A really enjoyable read. Recommended!**

What a fab short by Kyle Adams! It was sweet, it was funny, it was sexy... what more could I ask for!? Ten wonderful pages of hot sex and humorous dialogue- very nice!!

---

**Kim Alan says**

I read this little quickie on my break. Alright, I read it at my desk when no one was around. Don't judge me! Um, anyway ... once again, Kyle delivers the goods with his trademark funny-slash-sexy style in a story that's maybe a tad bit raunchier than the usual. Not that it suffers for it, by any means. I'm pretty sure the man can't go wrong. I'm totally going to start pitching him crazy ideas just to see what he can do with them.

[I thought Leia was a human, even past the sniffing her butt comment. I just thought Conrad needed to upgrade on his friend choices \*shrugs\* (hide spoiler)]

### 4,5 Stars - sweet and hot mini shortie!

I laughed when I read this cute, little sexy story (10 pages). Well worth a few steamy minutes.

**Conrad has run away from a speed control** and now calling the sexy police officer at the door....

I leaned my forehead against the wall to catch my breath, even though he'd done most of the work. "The police seem to like using excessive force in this city. I think I have wall burn on my chest." I said lethargically. "Not that I'm complaining."

### I Like - fun and hot!

I can't believe I'm going to say this but, that was Hot lol.

I guess it really does help when you know exactly what you are getting going in lol.

Kyle Adams writes sex scenes pure and simple, (well maybe not pure lol), but the difference is he makes the before and after fun and I admit the during is pretty good too.

Another surprise for me was liking the female lead, can't remember the last time I wanted to see more of the female character.

3.5 but pushing to a 4 because these are really helping with my challenge, short free and fun lol.

## **COP PORN with a twist**

*“When I’m done plowing this ass,” he spanked my other cheek, “You’ll never be able to be fucked by anyone else again without thinking of me and what I’m about to do to you.”*

Promises, promises.

## **Macky says**

4.5\* I love this series of ' Dirty... ' books by Kyle Adams, always fun, mostly ultra sexy and best of all free! A hot cop doles out a sizzling punishment for a very naughty speeder but as always there's a twist in the tale that's not hard to fathom but what the heck, its still a great story and will have you smiling and wishing it could go on just that bit longer,although saying that each story however short it is, always leaves me satisfied. Its just that his characters are so engaging that you want to see more of them. Princess leia is a cutie! Go read this ASAP.

Arrest me Officer for reading too many "Dirty" books!!! LOL!

### **4.75 stars**

Kyle has done it again. I loved it and couldn't stop laughing at the funky kink, horny cop and sassy Conrad, what a cheeky devil. Conrad's one-sided wheeling and dealing is priceless, Leia will not be swayed to the dark side lol. Kiwi, big fruit, ROFL! Soooo good, an absolute gem. Recommended.
