Good Karma: A Novel Christina Kelly

A charming, heartfelt tale of love lost and regained in a gated community in Savannah, Georgia.

After almost forty years in New Jersey, Catherine, Ralph, and their beloved Boston Terrier Karma are hitting the road, relocating to a gorgeous, serene island off the coast of Savannah, Georgia, where Catherine can work on her backhand and Ralph can hit the links. But upon their arrival in the Seven Oaks gated community, it becomes apparent that Catherine and Ralph's visions of retirement couldn't be more different. While Catherine is intrigued by their quirky neighbors, Ralph's golf-and-poker routine seems to be interrupted only by his flirtations with their zealous real estate agent.

As the pair drift further apart, Catherine cannot help but sense her marriage is at risk. Then, she meets recent widower Fred at the dog park. United by their dogs, they embark upon a friendship that could be something more—until she discovers that he's not quite what he seems. As she sorts out fact from fiction and discovers what sorts of secrets might be hiding behind Seven Oaks' pristine picket fences, she'll have to make a decision affecting her future happiness and her chance at newfound love.

I enjoyed it.

This book was recommended by a freind. She enjoyed it because it refered to local places. It was a cute story but I prefer to travel out side my neighborhood.

Bonnie StPierre says

A very sweet, well written book.

This is a very sweet, well written book. It handles the subject of aging , loss, regret , doubts , and new beginnings with wonderful insight and sensitivity. I liked all the characters, even the quirky and villainous.

Betsyford says

Sweet and Sassy

This is the book for those who believe in second chances and reinvention. Sometimes a lost dog can help you find your way.

Nancy Nucci says

A fun, light read about a couple entering retirement and joining a new retirement community.
