From Reader Review Wings of the Wicked: A Limited Edition Urban Fantasy Collection for online ebook

Muffy Wilson says

If it flies, crawls, shifts, sucks, lives for centuries or it's soul time travels, it is probably in this book. I am anxiously waiting for this release and am gifting as many copies of this book to friends and in giveaways. This book is a compilation of 25 of the industry's best NY Times, USA Today, International and Award Winning Bestselling authors revealing new and exciting work. Imagine, over one million entertaining, seat gripping words for only 99 cents. It is a bargain that will give throughout the holidays and well into 2019! This is a limited edition release so grab it before the price goes up, up, up!

Love2ReadRomance says

Son of Chaos by Lexi C Foss - Amazement! I love the worlds that Eve and Xai love in. Okay, I don't actually love Hell, but I love the way it's written so visibly that I feel like I'm right there with the characters. Great read and can't wait to read more about Eve and Xai.

Lexi Foss says

25 novels featuring angels and demons? Yes, please! I love the concept and stories included in this set. Amazing!

Maddie Wade says

A fantastically collection of Urban Fantasy books. Perfect for finding new Authors and catching up with Series I already love.

Heather Adkins says
