Smut-Shorties: A great on-the-go short to satisfy your craving for smut!

A Naughty BBW Witch + A Growly Wolf = Hot Lovin' Under the Moonlight

Liani Azul went to a bar to test a perfect kiss spell and ended up in the arms of a growly shifter. He did things to her she'd never even heard of before and ended up mated with the hot wolf. But Liani doesn't break the rules, so she turned away from him.

After several days of thinking, she realizes she wants the sexy shifter and doesn't care what the council will do to her. Will he be open to taking her back after she rejected their mating? Giving herself to the wolf in mind and body might be a good start.

Letting him do all kinds of deliciously naughty things to her might help her cause or it might just be a great way to remind him how perfectly matched they are...

One night with furry shifter Seth and Liani a curvy witch, can not get him out of her mind. He bit her and he claimed her. As a witch this is all a no-no according to their rules.... She got scared and ran... Well let's put it this way, she goes into a depression until she when looking for her man...and taking her man!! Must read!

Galina Sulaiman says

Liane can't stop thinking about Seth and the night the spent together. He bit her, but it's against the rules. Book 3 about the triplets witch sisters. Was better then other two, this sister made me laugh.

Great tales, these short stories really help to improve your mood in a very fast way. The heroines are ALWAYS getting themselves into some kind of trouble, and somehow those troubles always involved some freaking handsome and hot shifter, and that is where the freaking hot story begins. And believe me when I tell you, you won't regret the couple of minutes it will take you to read this story. Making short, hot and srxy stories to read, was really a fucking great idea. And also this author Milly Taiden, had got herself another fan, after divisive this series I'm looking for every piece she has wrote.

Samantha Woods (LSK Sweetheart Reviews) says

Liani met Seth when she went into his bar practicing the perfect kiss spell. They had one hot and steamy night together and even though he claimed her she turned him away. Too worried about breaking the rules. However she can't stop thinking about him and she flat out misses him. So she decides to say to hell with the rules and goes to find her mate.

Seth claimed his little witch but she was so scared of breaking the rules she turned him away. He knew that she would come back to him but in the meantime he couldn't stay far away from her so he was around even

though she didn't know. When she finally comes to him he vows that he is not going to let her go this time.

My Opinion:

I love it. I just can't get enough of Milly's books! This is a short and super sexy short that anyone the busiest mother or busiest career woman can take a little time out of their day to read and enjoy! I definitely recommend reading!

Another fast and extremely sexy read from Milly Taiden. If your looking for a hot quickie definitely pick this series up! She definitely doesn't disappoint. This is part of a series but can be read stand-alone. This one is about Liani and Seth. They are super hot together. Both are fun characters. Seth in his alphaness and Liani is very sassy. I plan on going back and grabbing the rest of these shorts. They are a lot of fun and very HOT!

I like how a female witch, Liani, and a male wolf shifter, Seth, found attraction for one another. The twist with the potion was a great idea.

This short story was mind-blowing and so realistic.

Another great short to lust over! Love the witchy/wolf shifter theme.

It kinda sends a secret message "Love comes in all forms, despite who we are."

The Bite of the Mating is a nice touch. Sexual urges flows through me thinking of being bit during sex :)

I love this smutty little series

This is another wonderfully smutty quick read. I always love Ms Taiden's curvy gals because they are sassy and love their voluptuous bodies. While this is a short read it hold plenty of punch in the story department. I hope we get to see all the gals find HEA.

Plenty of smexy bedroom steam to keep you hot and bothered!!

Be careful what you kiss for...

Great short about the third sister in the hexing shorts series! These sisters just can't follow the rules. Of course their godmother tends to encourage them that rules are made to be broken ;) And now a bit about the story...

Liani has went and gotten herself mated to a wolf... Damn the rules!!! Except she told him to take it back. Now she is miserable. She still hasn't perfected her kissing potion and now she can't think of anything but him. Oh how she needs a ton of frogs to get get past this mess!

Favorite passages:

- Don't play with wild animals.
 - "I have to go kiss some frogs."
 - "I would appreciate it if you refrained from neutering any of my pack mates, witch."

Great short story!

This is a great short story that you can read in one sitting. Liani is a witch; she wanted to try out here kissing spell and ended up having hot, wild sex with a sexy shifter, Seth. Her mom has always told her to stay away from shifters. She got carried away with the wild sex and let Seth bite her, now they are mated. She is now regretting telling Seth that she never wanted to see him again. This book is not recommended for anyone under 18, since it is an erotica short story. If you are looking for a quick but great short story then you need to read this book. Milly is a wonderful author, and I can't wait to read the next one.
