**Last Minute Customers** Jessica E. Subject

Please Note: This is a 3,343 word erotic menage romance short story.

After a long day of helping her customers find the perfect costumes for parties and trick-or-treating, Mandy is ready to close up shop. She just wants to crash on her bed for a few hours before she has to get her party supply store ready for the next holiday. But two sexy last minute customers keep her from locking the door, and she helps them find the perfect outfits. Little does Mandy realize these men want more than just what her shop offers. They want her.

Caution: Contains HOT MFM sex, including anal and double penetration.

### **Brian Hutchinson says**

#### **Great**

This was a very good short story, with a surprise ending that I didn't see coming, well written and worth the short read.

### **Rhonda says**

#### **Quick Hot Read**

This erotic story is not one of romance but a steamy story about a party store owner having her dream comes true with two gorgeous last minute shoppers. The writing was good and the story was well proofed so the pesky spelling and grammatical errors are NOT there. Yeah!

I went into the story expecting to dislike it. And, indeed, there were little warning bells going off telling me I didn't like how the story was progressing. But, eh, the warning bells going off were false alarms, and the story had it's elements of excitement. If I could, I'd probably give it 3 1/5 stars. It's just a snippet of a story. Well, slightly more complex than just a snippet, what with the dream sequence, bu still, just a tiny little story. Not nearly enough there to give that extra 1/2 star.

I received a digital copy in exchange for an honest review.

Last Minute Customers is a very short quickie. While there isn't much filler since it is a quickie readers need to keep that mind.

Its very much like those Ellora's Cave Naughty Nooner type stories where the whole purpose is for the yummy interaction.

While there could have been just a smidge more what readers get is still tasty. Easily read for anyone that don't have time to read full length novels or anyone that has a busy life.

### **Ms Lady Jones says**

This was a sexy short story. I would read this author again

### **Tasha says**

Let's start this review off with my thoughts on the cover: That is cover is pretty dang amazing... I am wondering if it is a real woman (a picture of a real woman taken) or if it is a Fake (computer animated) woman (a woman that doesn't exist in real life). Jaw dropping stare... am I right with those details, or maybe the man you imagine they are? At first you gotta deal with a little boring and no heating up but once you get further in it will heat up.

### **Mary Allen says**

#### **Very good**

I love that she was just dreaming, that put a great twist on the story. look forward to more books.

#### **Last minute customers**

Last minute customers is a wild ride u just never know what could happen read it to find out .

---

### **Daria says**

reallt too short to review :) quickie sex :)

---

### **Siobhan says**

This was a fun, sexy short read. It took me less than an hour to read it. I loved the plot twist at the end, it was unexpected. All in all a good read, glad I didn't pay for it though, given the length.

**Siobhan Muir says**

I like Ms. Subject's short stories, and this was a fun little menage sex romp. I couldn't quite believe it until I realized it was a dream and all in her head. Still it was fun and a great fantasy.

**Ameliah says**

Over Heated!

This was a fast and VERY intense erotic ride. Customers certainly got their Halloween treat, no tricks needed!

---

**J. Dorner says**

A quick and easy erotic read that explores the possibility of a dream-come-true for the main character.
