Your classic "Must go after the popular handsome guy" yaoi story, this volume is about Yoshida (the normal bratty guy) and Sado (the popular handsome guy). Yoshida doesn't want to admit how he feels about Sado, but the words often slip out. Sado, however, wants everyone to know he loves Yoshida...but, mostly to get the girls to stop chasing him.

There's also a couple stories about a Discipline Committee member falling in love with a delinquent.

This book is a pretty quick read. The plot is not deep, but it is extremely enjoyable to read. We all need to read some fluff every once in awhile.

This volume was provided to me by SuBLime, a division of VIZ Media, via Edelweiss, in exchange for an honest review. All opinions expressed here are my own.

Series review

Awkward Yoshida is hated by all the girls in school for his perceived closeness with hot guy Sato, who uses hanging out with Yoshida as an excuse to turn them all down. If Yoshida is merely an excuse, why does Sato taunt him in private about "his favorite"? Is it possible Sato's feelings run deeper than friendship? And what could he possibly see in the funny-looking Yoshida? Watch Yoshida's life turn upside down with hilarious results!

According to wiktionary, this is on-point for yaoi: from Japanese ??? (yaoi), an acronym of **Y**ama nashi, **o**chi nashi, **i**mi nashi (????????????????), "no climax, no point, no meaning".

I got sucked in and spent way too much time and money on this series of boys-love scenarios. Because that's all it really is, a series of tropes strung together with a mean pretty boy and an "ugly" tough guy who is really short.

This series contains: badly proportioned hands and bodies (though I've seen much worse), mean girls, asshole love interest, non-consensual or dubiously-consensual sexual interactions, and a total disregard to boundaries or desires.

While it has its moments, there's already enough explosive boys-love stories out there. We didn't really need another. Me saying "it's not as bad as others" isn't saying much. I know it's good that things are getting better but they're still not good enough, and I can't really believe I read nine volumes of this before I gave up.

Baru membaca 2-3 halaman saya dibuat ngakak dengan kesialan Yoshida n the gank yang terpilih sebagai pemandu sorak pada kompetisi olahraga disekolah mereka. Lagi" Suzuki Tanaka lihai membuat saya lupa diri (tertawa sendiri) dgn org" disekitar saya pada saat membaca komik ini. Gimana ngga lucu kalo disuguhkan dgn penampakan para anggota baru cheerleader:

dan bertransformasi menjadi....Voilà!

His Favorite, Vol. 2 juga memperkenalkan karakter" baru seperti sepasang kembar bersaudara Nozawa yang gencar meminta Yoshida dan Satou menjadi model lukisan mereka serta Torachin, teman SMP Yoshida. Lucunya, Yamanaka yang pada His Favorite, Vol. 1 pernah terlibat rivalitas dgn Satou untuk bersaing mendapatkan perhatian Yoshida, justru di komik kedua ketertarikannya bergeser pada Torachin. Berkat masalah asmara Yamanaka-Torachin inilah yg menyadarkan Yoshida tentang perasaan sukanya terhadap Satou.

Selain cerita utama, ada satu cerita tambahan menarik yg sayangnya ini hanya one-shot bercerita roman benci jadi suka antara Kaitou Masami yg dikenal sbg tukang onar di sekolah dgn Kazama Shirou, seorang anggota komite etik. Akan lebih menarik lagi seandainya author bisa menjadikan cerita mereka berseri :smile:

I especially adored the two Extra One-Shots about a Public Morals Committee member and a delinquent. It was really funny :D I would love to see more of that couple.

Mehsi says

The story about Satou and Yoshida was fun, but those other 2 chapters were just crap. I hope we get more stories from our main couple.

So good. Even better than the first one. I love how we get little bonus stories at the end of each manga, I also love the new characters.

Continues in the same vein as the first.

2nd volume in this cute yaoi romance series.

Enjoyable fun.

The first two volumes of this series weren't quite the "OMG Best Ever" that I'd been told, but they certainly were a pleasant read. I was a little off-put by the less consensual elements (which I wasn't expecting, though probably should have been), but I love the visual distinction between the two leads, as well as the fact that it takes place in a real-world setting, not a boys-only yaoi fantasy.

I am really starting to enjoy these characters

Lina says**I LOVE THIS SERIES!**

I love that it's all about the relationship between the two!

There aren't many good yaoi books that I know of that is about the actual relationship between the two of them!

I can't stop reading this series.

I waited a whole year to read the latest series and I cannot wait for the next one!

I don't understand how this manga has an average of 4 stars??? These volumes are just progressively getting more and more awful. Maybe I'm taking the "plot" too seriously but...borderline rape and emotional abuse just aren't that funny to me??
