## Angel Sanctuary, Vol. 14 Kaori Yuki

Setsuna and his team have broken into prison to rescue their ally Zaphikel. But they are shocked to find out that they're too late--Zaphikel's wings have already been cut off. Without their protection, he is infected with disease, and is on his way to becoming a flesh-devouring ghoul.

Meanwhile, the evil angel Rosiel chairs a meeting of the leaders of heaven. He announces that he is one step ahead of Setsuna and the rebels, as he knows where they plan to escape to after the prison break. So when Setsuna's team arrives at their destination, they'll find a rather nasty surprise waiting for them!

### **earthy says**

Lots of interesting background on poor Kira, who is really a fun character, though there's WAY too much going on with him (as seems to be the case with the plot and characters in general in this manga). We also get the conclusion of the Zaphikel/Raziel arc, which is predictably sad. There really are way too many characters in this story, and I still have trouble keeping them all straight, but I do know that Kira, Zaphikel, and Raziel are some of my favorites.

Die Himmelskapitel der AS Serie sind einfach unglaublich und was Kaori Yuki hier raus haut, ist einfach unglaublich. Vor allem die Geschichte rund um Zaphikel, Sevothera und Raziel ist nur noch schön und ich hab diesen Doppelband regelrecht verschlungen. Ich kann den nächsten Sammelband kaum erwarten. :D

### **Barbara Voulgari says**

This volume had a bit of backstory on how Lucifel became Lucifer. Hell has crashed into heaven and gotten their first two levels destroyed. Heaven is getting its power structure re-arranged and it's epic!!

There was more action than emotion, sure, but we do need that as well. I'm already starting the next!

### **Swiftsea says**

I enjoyed the background information on Kira. It's great to know that Lucifer had enough of a heart to have an agreeable exchange with the original little boy's soul. Neither are devoid of their personalities. It's a nice idea thinking there's a mutual understanding between what is meant to be evil and humans who are supposed to be the corrupt.

The transitions of scenes felt too abrupt for me and with the plenty of characters, it was difficult to keep up on which character's background the story was focusing on.

**Jody Mena says**

I adore this entire series. Kaori Yuki is a masterful storyteller and a talented artist.

**Cat says**

The author goes on a rampage, and so does Rocial. The havoc is necessary, and definitely moves the story along, but did it have to be so widespread? Oi!

**Logan says**

Lots and lots and lots of Lucifer. This book made for a very happy Logan.
