nettan - the road so far... says

Just love that cat :)

Another solid episode of Black Magick, fabulous art as always.

We are left with more questions than answers...It's going to be a long wait under January 24th

Micah Ulibarri says

Always consistently good. Doing a lot of slow building. i still think this would make a killer tv show.

BrokenMnemonic says

I liked this issue, but it felt very much like low-key build up in support of future issues.

Aidan says

Best. Cat. Ever.

Britt Freeman says

it seems like we finally get the crux of the mystery here; the question we were to be asking the entire series. i'm excited to see the answer.

Rainey says

Aaaand they lost me.
