### Miss Ryoko says

So... here we are with these two...finally an item... and everything is super awkward. That right there tells me they aren't a good match. I'm not sure if that was the intent by the manga-ka... you know they're first serious relationship so they're all awkward and unsure how to act...but for these two strong headed characters, I don't think that would be the case. But maybe that's just me because the last person I want to see Tsukushi end up with is Tsukasa :-p

\*sigh\* I miss Kazuya!

It was cute being able to see Akira's family! His mother looks more like she had him when she was 12 instead of 20! But she's cute!

I'm really pulling for Yuki and Sojiro! They'd be a sweet and adorable couple. But...oh boy... I know Sojiro's type well... there is no hope :-p (not from personal experience...from character creation experience :p haha!)

I'm happy to see the fashions the characters dawn change! I know in real life years have passed but in the story it was about one year... so they're clothes really shouldn't have gotten cooler but they did :-p I loved Tsukasa's outfit at the end with the black shirt with the open V neck over his chest. Very dashing (even though I want to sock him one!)

*I'd watched and liked the anime version when I was still a kid.*

For now, I got no plans for buying a copy.

There was something in the way all of the characters came together that I found irresistibly compelling about this series. It did remind me a lot of Ouran while I was reading it and maybe that is why I liked it so much. Tsukushi is an interesting protagonist, I loved when she started taking action and sticking up for herself.

While I wasn't overly fond of the artwork style I was able to get past it because I my love for the storyline. This is an honest story with twists and turns, ups and downs, but then again that is real life.

I would really recommend watching the anime too!

5 bintang buat volume 26 ini. Karena episode-episode sebelumnya kering-kerontang abis, bok, ga ada sweet-sweetnya antara tsukushi - tsukasa!

Akhirnya ya akhirnya mereka pacaran lagi, gimane eike ga seneng, bok!? Makanya 5 bintang, deh #mureh

(walaupun saya sangat sangat tahu, ini mereka akan putus nyambung putus nyambung lagi setelah ini huffttt  
\*puter lagu ni yao de ai\*)

Dan endingnya, yaelah bikin deg-degan -.-" Yawdalah langsung cus vol. 27.

### **Christina Yoakum says**

About dang time! I can't stand how wishy washy Tsukushi is, but some how Tsukasa just keeps confessing his love to her over and over.

totally different between books and the movie

### **Zahra says**

Vamos a ver, los iban a pillar tarde o temprano, y si fuera por mí ya estaría en NY encarando a la bruja Kaede... Pero bueno, al menos estos dos ya no se andan con tonterías y Makino acepta ¡POR FIN! lo que siente.

### **Nermeen says**

finally the best volume until now <3 love them together

---

### **V says**

It feels like Tsukushi and Tsukasa are walking on a tight rope, anytime they will fall down to the ground. All I can really hope for is that they will finally be happy for a longer time. It is nice though that even Amon is helping them hide that they are now together again. Applaud for F3 for also helping in their weird ways.

Btw, we see Akira's family in here. So weird and cute!

**Sarah Evans says**

I don't know why exactly, but this is one of those compulsively readable series that captures both teen girls and adult women who venture into the manga market. In this one, our heroine finally commits to being with the one she loves, no matter the cost. At last! But the obstacles keep mounting.
