Brides for Brothers

Debbie Macomber

Brides for Brothers Debbie Macomber
Hard Luck, Alaska — a Town that Needs Women!

Location: 50 miles north of the Arctic Circle. Population: 150 (mostly men) — but growing! Because the O'Halloran brothers, who run a bush-plane charter service called Midnight Sons, are heading a campaign to bring women to Hard Luck!

Sawyer O'Halloran — He's the middle brother. Pilot and part owner of Midnight Sons. And, if the truth be told, he's not entirely in favor of this scheme. But he considers himself immune to the charms of any woman — he's adamantly against marriage and he's not too sure about love!

Abbey Sutherland — Single mother of two adorable kids. Veteran of one bad marriage. Wants a new beginning — not a new romance. She responds to the Midnight Sons ad and is delighted to accept their offer. But there's a complication — or two. She hasn't told the O'Hallorans she's arriving with children!

Julie Robinson says

A nice light read with a good story line.

Joanne Collins says

Loved this book

Lisbeth Zabihi says

Jeg kan rigtig godt lide Debbie Macomber. Javist jeg kunne godt gætte indholdet, men skidt pvt. Har altid plads til lidt kærlighed.

S.J. says

Even thou i finished this book fairly quickly and couldn't put it down - i did find the story a little predictable, not sure if i want to read any more in the series because you sort of know what is going to happen, and the journey isn't that twisted or challenging to make it worth reading another book on the same story.

Hope says

This is my 2nd time reading this series but the first time since being a part of Goodreads. I just love this book! Why wouldn't I when it combines some of my favorite things, Alaska and a story with a happy ending! :-D

I truly enjoy the humor the author puts into her books. I think that's part of the believability of her characters. I can picture Sawyer and Abbey living down the road and being good friends. If you're looking for a light-hearted, quick read that will make you chuckle and smile, this book, this series, is for you. :-)

Nancy says

While romance isn't my genre these days, I enjoyed this book. Just a little harlequin romance. I read it for the Alaska setting. Trip soon!

Kristina says

3.5 stars

Rhonda says

Good read. Liked the story flow. Liked the characters and reading their individual struggles and how they work through them. Fun reading the back and forth issues between characters and finally realizing it is love. Always a pleasure to read this author. Would recommend this book.

Book of Secrets says

The beginning of the *Midnight Sons* series set in Alaska, 1995. BRIDES FOR BROTHERS is a sweet romance with a cast of good, down-to-earth people. The O'Halloran brothers who own a plane-charter business in Hard Luck, Alaska hatch a plan to attract women to their remote town. It's all very innocent and on the up & up. I did have to giggle at the men's reaction to having fresh womenfolk in their midst. Was it 1895 or 1995? The first to accept their offer is Abbey Sutherland who's hired to set up a library in Hard Luck. Sawyer O'Halloran takes a liking to her, but of course, there are complications. Overall, just a nice romance to give you a warm, cozy feeling. Looking forward to the next book.

Tiffany says

The first book in the *Midnight Sons* series and enjoyable. Sawyer goes along with the plan to help create jobs to bring women to the small town of Hard Luck Alaska. He thinks the plan is crazy but he needs to keep pilots willing to stay in Hard Luck. When Abbey shows up in Hard Luck with her 2 children Sawyer decides he needs to make sure they leave. It doesn't take him long to change his mind.

Ceola says

It was ok.

I've read many of the "mail order bride" type stories in paranormal genres. this is the first i've Read in a long time with 100% humans.

Dee says

Two-haiku review:

No women in town
Librarian answers ad

Goes north with her kids

Loved Alaska town
Almost historical feel
Old fashioned and sweet

Chris says

This Book was written in 1995, way before cell phones, skype, etc..

THIS SUMMARY/REVIEW WAS COPIED FROM OTHER SOURCES AND IS USED ONLY AS A REMINDER OF WHAT THE BOOK WAS ABOUT FOR MY PERSONAL INTEREST. ANY PERSONAL NOTATIONS ARE FOR MY RECOLLECTION ONLY

The beginning of the Midnight Sons series set in Alaska, 1995. BRIDES FOR BROTHERS is a sweet romance with a cast of good, down-to-earth people. The O'Halloran brothers who own a plane-charter business in Hard Luck, Alaska hatch a plan to attract women to their remote town. It's all very innocent and on the up & up. I did have to giggle at the men's reaction to having fresh womenfolk in their midst. Was it 1895 or 1995? The first to accept their offer is Abby Sutherland who's hired to set up a library in Hard Luck. Sawyer O'Halloran takes a liking to her, but of course, there are complications.

**

This book includes two novellas: 3 O'Halloran brothers are running a scheme to get unmarried women to their town.

Sawyer, Charles and Christopher are the 3 brothers...

.

Brides for Brothers

Abby Sutherland is arriving in town but she neglects to tell them she's bringing her children with her. She's lost her librarian job in WA and the boys agree to move with her.

Men are getting the cabins ready for the women that were chosen for jobs in Hard Luck.

The men realize things have changed since the women showed up-they are at each others throats. Love the Christmas scenes.

Love hearing all about the area as it's one place I will never travel to in my lifetime.

Things don't go as planned and Abby and her family must leave to go back to the lower states...

**

The premise of the story is that the men in a small town in Alaska are leaving as there are no women so two brothers decide to place an advert in Seattle papers asking women to apply for jobs in the town in exchange for accommodation and land.

Abby answers the add, gets one of the available jobs and moves with her children to said town. The story deals with her settling in, how her children manage the changes and what happens with all the people she meets.

Tam B. says

I finished this book and then realised that the author isn't one that appeals to me and discovered the book was from quite a while ago (and it shows).

Whilst I liked the general concept of lets create / fill jobs in our small town to get more people (women) in the area and keep our workers happy. This was not well executed. The was almost no disclosure. The men of the town acted like they'd never been able to speak / interact with a woman before and our heroine was passive-aggressive at best.

I really didn't like that the town and it's people didn't feature as much as it should. Where were the welcoming women - there were some in the town. Where were the characters, the quirk. This could have been utilised to make the town and it's people charming. It wasn't.

I really disliked the "it's marriage or nothing" attitude that prevailed and the sense that our heroine was desperate for it. I thought there was the beginning of a relationship between the leads NOT the basis for marriage.

Overall, this book had potential that wasn't realised and lacked as a result. I will not be pursuing this series.

Haven says

Very cute read by Debbi Macomber!

Hard Luck, Alaska has a shortage of females and the males in town are looking for companions. They set out want ads in the newspapers for work positions for females to fill (secretaries, teaching positions, nurses, librarians...). The hope is that a lucky lady will come along for the job which has its perks such as free housing and 20 acres of land if they can stick it out for a year.

Abbey Sutherland is one of the ladies that applies for the job as a librarian. However, she didn't make it clear that she would be relocating from Seattle with her two children. The problem is a big deal in part because the cabins available are really meant for one person.

Brides for Brothers tells the love story between Abbey Sutherland and Sawyer O'Halloran, one of the brothers who owns the planes flying the women into town. It's such a cute story. I highly recommend it!
