Luke

H.J. Bellus

Luke H.J. Bellus

Life has never been the same since she left...

Booze helps dull the heartache at times and others it only fuels my anger.

Fights don't matter. Win or lose its all the same shit.

Until... one night, one fight.

Who knew one night would change everything. She's back, and my heart doesn't stand a chance.

But this may be a fight I'm willing to lose.
