Fuelled by Revenge, Matias was determined to gather all the dirt from his enemy's daughter, Sophia. She had a bad experience by revealing a secret she carried and hence her mistrust for men. Matias and Sophie carried secrets in the beginning; however lust and chemistry won. As the seed of love germinated it was too late, the misunderstanding occurred and the relationship was over. Matias revealed his intentions and revelations which made her build an emotional barrier and fierce protectiveness so strong nothing could penetrate it except through courtship, patience and love. I'm no great lover of the 'hot scenes' but the emotions were enough to truly adore. The heroine was not a virgin but she was as innocent and pure. Her love was pure and she was all strength and courageous. Cathy Williams, this was an enjoyable read. My reviews on an author is quite scarce and brief. I thoroughly enjoyed this one. It reminded me of themes in the late 80's and early 90s
